THE VILLAGE OF OLDE MILL COMMUNITY ASSOCIATION

JULY 2007

July VOMCA Meeting
Wednesday, July 18, 2007, 7:00 p.m.
Olde Mill Pool
Guest Speakers: Anne Arundel County
Police Spokespersons

President's Message

The next VOMCA meeting will be held at the Olde Mill Swim Club on July 18, 2007. As of this date we will have two representatives from the Anne Arundel County Police Department attending the meeting to assist us on avenues on what we can do as a community to help with some problems we have been having at the playground and Barlowe Field. Anyone who is at the pool on July 18 is welcome to attend; you do not need to be a VOMCA member.

The Old Mill Swim Club is open for the season. Again I would like to thank ALL the volunteers and the Olde Mill Swim Club committee for their hard work and dedication to see that the pool was opened on time for all of us to enjoy. I am proud of all the committee members of the pool and all the volunteers who make this happen.

There was no official VOMCA general meeting or Board meeting in June, therefore no minutes are published.

I am curious to see if anyone may be interested in leading an Olde Mill security group. I am hoping that we could come up with some volunteers for a couple hours a night to walk and observe the Barlowe Field playground areas. If anyone may be interested in heading this

project please email me at tastag@verizon.net or call me at 410-729-8558.

Have a safe and fun summer hope to see many of you at the July meeting.

President Tom Stag

Pool Road Repair Grant Request To Be Submitted

We, VOMCA, are again preparing to submit a request to the State for a grant to repair the Pool Road. The road has been in disrepair for many years; a new parking area will be created to accommodate people using Barlowe Field.

The sidewalk that was created last year has not only provided a safe passage for strollers, wheelchairs and walkers, but has also improved the boggy condition of the field and area near the road. The

parking area will alleviate the need for parking on the new sidewalk and create a more attractive and safe environment for everyone.

It is our hope that the Beautification Committee will approve our request in this new fiscal year. *Sarah Hakulin*
