President's Message

Happy Holidays Olde Mill! No matter what you celebrate may it be filled with love and joy!

It's hard to believe that this year is coming to an end. It seems like only yesterday that we were talking about our plans for a new year in our community. Now we are looking toward 2022 and planning to make it even better for all of our neighbors and friends.

As the holiday season approaches you can look forward to the annual **Tree Lighting on December 11th from 3-7p.m.** We will have cookies and hot chocolate and hot cider. There will be crafters there as well as crafts for the kids and at dusk Santa will come and help us light the tree.

Also, **GB VFD will once again make their rounds in a big shiny fire truck on December 18th** and if we've lucky he might even bring a friend or two. We will be collecting canned good for NCEON. So come on out and say hi to the jolly old elf and bring some much needed food for those who don't have as much this holiday season.

And finally, please **join VOMCA for 2022.** There are over 1300 homes in Olde Mill. All of the money we collect goes to pay the taxes on the field, the activities we put on for the neighborhood children, and the upkeep of the property just to name a few things. Barlowe Field is NOT a county park. It is property that is the responsibility of the community and without your support we can't take care of it. The Board has a lot of exciting plans for this area. We've already accomplished a lot.

With the help of FOOM (Friends of Olde Mill), which is a 501C3 and was formed to help maintain and improve the playground, we have improved the field, added to the playground, planted flowers and bushes, put in a walking path, added benches and picnic tables, improved the bathrooms and the snack shack, painted and much, much more.

So please join **YOUR community association which meets the first Wednesday of the month at the Old Mill High School cafeteria at 7 pm** and help improve this great community you live in.

Come on out everybody and see what we are all about and have a wonderful, Holiday season.

Chris Szverra, President VOMCA

To all the Friends of Olde Mill

This has been an amazing year, filled with lots of challenges and successes. In 2021 we were able to install the new swingset, and that includes leveling the ground, installing the border for the mulch, setting the swingset in place (thanks to all of those who showed up and helped out that day!) and we are finally ready to paint it and hang the swings. We have selected two shades of green to stay with the theme of a green, environmentally friendly park using natural materials whenever possible, and of course because the color green, regardless of the shade, is a common theme in everything we do. We planted lots of new things at the park, recreated the memorial garden at the entrance, and even now we have 10 donated trees that we are about to plant in the park, 6 Stationberrie trees and 4 Paw-Paw trees, all apparently native to Maryland. Our efforts at the snack shack allowed it to be open all swim season and to be used for several FOOM and VOMCA events. In November we had our annual Quarter Auction, our second largest fund raiser of the year for FOOM, it was a great success and lots of fun, take a look at VOMCA.org and see some of the pictures. The March Barlowe Bolt 5k run/1 mile walk is our largest fund raiser, please sign up for that, have a great time, bring some friends, meet a ton of new people and walk or run to help us continue our work on the new playground equipment. If like some of us you cannot walk a mile, or run at all, just volunteer to give us a hand that morning, or talk to the people you know and ask them to buy a business or personal ad in our booklet to help us out. We have a lot of work to do this coming year as we are still trying to catch up where we had to slow way down because of Covid. I would ask that if you are reading this and appreciate all of the efforts, and would be willing to join us for even one effort or event this year, send us your name and contact information (rstites@polinger.com will work) as we do our annual update to our volunteer list we will add you to it, and we can send an update email to everyone on the list so they can decide if that item is something they can and would like to join us for.

Fall Flea Market was a success. We made roughly \$150 to support VOMCA.

Fall Fest was a great event. We had baby chicks from a local farm, a hay ride, and Boy Scouts from a local troop.

New Business:

Common Areas discussion:

Parking at OMSC: There has been “activity” going on in the OMSC parking lot. We ask that people keep an eye on the park area, particularly after dark.

Dues: VOMCA dues for 2022 will be \$25 this year. Payment is requested by January 1st.

FOOM Updates: Swingset area still has some work to be completed. The reinforcement on the box needs to be finished (the posts are already cut), the collars on the new swing set need to be riveted, and the swing sets need to be re-painted with the approved color scheme.

February Crier: We will be producing a hard-copy of the Crier and will be distributing them throughout the community to raise awareness of VOMCA.
