Volume 41, Number 9 / SEPTEMBER 2011

Positions Need To Be Filled and/or Contested

We need your support and participation to keep Olde Mill a vibrant, active community—a place we can all enjoy. We need members to come forward to run for offices in the October VOMCA elections.

Current members have been serving for many years. And while they have done a great job and made many improvements to our neighborhoods, we need some new ideas and the energy that the next generation of community leaders can provide.

We are currently operating under emergency rules, as defined by VOMCA by-laws, due to a lack of volunteers from the community in filling vacant and expired positions on the Board and for officers. Just a few hours of your time every month can make a difference. Email board@vomca.org to throw your hat into the ring.

The Olde Mill Swim Club is also looking for a new treasurer. Any person interested in the position must be a VOMCA member, among other requirements stated in the VOMCA bylaws.

Just as this issue was being closed, we did get two people who decided to step up and share their time and talents:

Stania “Chris” Szverra
8263 Mimico North
Running for VOMCA Secretary

Colleen Flack
8257 Bernard Drive South

Soil Testing Would Be Wise

Before you fertilize your yard this fall or even purchase flowers, shrubs, or trees,

have your soil tested to determine what kind of soil you have and therefore what kind of amendments the ground might need. Although the University of Maryland no longer has a soil-testing lab, here is a link to a list of regional testing services:
