The July VOMCA Meeting on Wednesday, July 5, 2017 Is Cancelled

President’s Message

Happy 4th of July!! Warmer days are finally here! With the warmer weather and longer days, please remember to watch for kids playing, speed limits are posted for a reason. Check on elderly neighbors and keep all animals on a leash.

The Swim Club is open and we have membership packets available at the gate.

We are home to the Olde Mill Torpedoes swim team! Our team won their first meet of the season over South-down and Chartridge. They will be having their annual adult party on July 22nd, 8pm-11pm! [Olde Mill Swim Team Crab Feast!!](#) Donations are \$40.00 per person. See Flyer on Page 2.

There are 2 home meets July 8th and 15th, which may cause the club to open a little late on those days.

We will be cancelling our July meeting due to the holiday. If there are any questions or concerns, please email the board at board@vomca.org. Please consider becoming involved in our community. Elections will be held in October for 2018.

 President of VOMCA

County 3-1-1

AA County has launched a 3-1-1 Customer Service Program as of April 4, 2017. It is to make service more efficient and responsive. You can dial 3-1-1 for all municipal services, trash, water, etc., from 8a.m. to 4.30.p.m. Monday through Friday. **Dial 911 for all emergencies.**

You can also download the mobile app through the App Store (iPhone) and Google Play (Android). Just hit the magnifying glass and search for "Arundel 311". Using mobile device, you can take a picture, set a location and receive updates in response to

your issue. You can report a lost pet, a pothole and missed trash collection, etc.on your cell.

Comment: It is a nice service; I have tried it. You don't have to worry about phone numbers and the Operators help you determine what department you need.

OVERGROWN LAWNS

Remember to mow your lawns. Grass a foot high can be reported to the County and the owner is subject to fees if the County has to mow your yard. Lets keep Olde Mill well manicured.

All yard waste must be in reusable containers or biodegradable paper yard waste bags. (See flyer)

DON'T BLOW IT...

in a County right-of-way, storm drain, or waterway.

Yard waste
clogs storm drains
and pollutes
our waterways.

**Bag and bundle your yard waste for collection
or compost it to better protect**

YOUR property, YOUR community, and YOUR environment.

YOU HAVE OPTIONS. PLEASE MAKE THE RIGHT CHOICE!

Trouble Free Yard Waste Collection *

- Occurs all year round.
- Has no limit to the amount of yard waste you can put out for collection.
- **Must be placed in biodegradable paper yard waste bags or reusable containers.**
- Containers must be marked with large "X" so collectors know it is yard waste, not trash.
- Brush/branches must be placed in container or bundled and tied with twine.
- Yard waste should not include cardboard.
- Bags/containers/bundles may not weigh more than 40 lbs each. Tree limbs and branches must be less than 4 ft in length, with max branch diameter of 4 inches.
- No wire or metal ties to secure bags.

**For households receiving County-provided collections*

Composting Your Yard Waste

Homeowners can reduce the amount of yard waste by composting. Composting is a natural process that turns organic matter into an excellent soil supplement. Benefits of composting include.

Preventing useful material from your yard and kitchen from being wasted in a landfill.

Reducing amount of material being landfilled.

Reducing yard work and the expense of store bought soils and fertilizers

Enhancing the growth of flowers, vegetables, shrubs, and houseplants.

Replacing nutrients in the soil, improves moisture retention, moderates temperatures, controls weeds, and decreases soil erosion.

Anne Arundel County collects and composts yard waste to keep this valuable resource from taking up much-needed space at the County's Landfill.

Compost bins are available at all Recycling Centers.
