## President's Message

August is here and our summer is halfway over! With the hot and muggy temperatures, please remember to check on your elderly neighbors. The next community meeting will be **Aug. 2nd, 7pm at the pool, 490 Chalet Dr.**

Please consider getting involved in our community. Elections are in October and you must be a member of the association by Sept. 1 to vote and/or run as a candidate for any position. We will be looking for a new management company for the swim club as well as creating a budget for VOMCA and the swim club.

Get out, get involved. It's not too late to join the swim club or VOMCA!

Beverly J. Parker  
President VOMCA

**Note:** Congratulations to the Torpedoes swim team, OM Swim Club, who are now the 2017 Division VIII Champs.

## Friends of Olde Mill (FOOM)

The following page highlight events sponsored by FOOM

The next phase in the construction of the playscape is in progress thanks to the help of soon-to-be Eagle Scout, Emerson. He will be designing, fund raising, and constructing a sand table under the pergola for kids to enjoy for years to come. If you are interested in contributing your time or money to help Emerson with this project please fill out the "contact us" form on our website:

<http://www.friendsfoldemill.org/contact-us>.

October 13 will be our Annual Quarter Auction. This year's theme is Halloween. There will be a host of vendors who will be auctioning off their goods to help raise funds for our community. Start saving your quarters!!

## Barlowe Field Trash/

### Playground Trash

Keep a plastic store bag with you!

Use it to keep the field free of trash, see something that should be repaired/or fixed

Contact FOOM at:

Lianne80@hotmail.com.

Thank You,

Friends of Olde Mill

## OVERGROWN LAWNS

Remember to mow your lawns. Grass a foot high can be reported to the County and the owner is subject to fees if the County has to mow your yard. Lets keep Olde Mill well manicured.

All yard waste must be in reusable containers marked with an X or biodegradable paper yard waste bags you can purchase at Home Depot, etc. See flyer

# DON'T BLOW IT...

in a County right-of-way, storm drain, or waterway.

Yard waste  
clogs storm drains  
and pollutes  
our waterways.

**Bag and bundle your yard waste for collection  
or compost it to better protect**

**YOUR property, YOUR community, and YOUR environment.**

## YOU HAVE OPTIONS. PLEASE MAKE THE RIGHT CHOICE!

### Trouble Free Yard Waste Collection \*

- Occurs all year round.
- Has no limit to the amount of yard waste you can put out for collection.
- **Must be placed in biodegradable paper yard waste bags or reusable containers.**
- Containers must be marked with large "X" so collectors know it is yard waste, not trash.
- Brush/branches must be placed in container or bundled and tied with twine.
- Yard waste should not include cardboard.
- Bags/containers/bundles may not weigh more than 40 lbs each. Tree limbs and branches must be less than 4 ft in length, with max branch diameter of 4 inches.
- No wire or metal ties to secure bags.

*\*For households receiving County-provided collections*

### Composting Your Yard Waste

Homeowners can reduce the amount of yard waste by composting. Composting is a natural process that turns organic matter into an excellent soil supplement. Benefits of composting include.

**Preventing** useful material from your yard and kitchen from being wasted in a landfill.

**Reducing** amount of material being landfilled.

**Reducing** yard work and the expense of store bought soils and fertilizers

**Enhancing** the growth of flowers, vegetables, shrubs, and houseplants.

**Replacing** nutrients in the soil, improves moisture retention, moderates temperatures, controls weeds, and decreases soil erosion.

Anne Arundel County collects and composts yard waste to keep this valuable resource from taking up much-needed space at the County's Landfill.

Compost bins are available at all Recycling Centers.
