Rules for Safe Trick or Treating

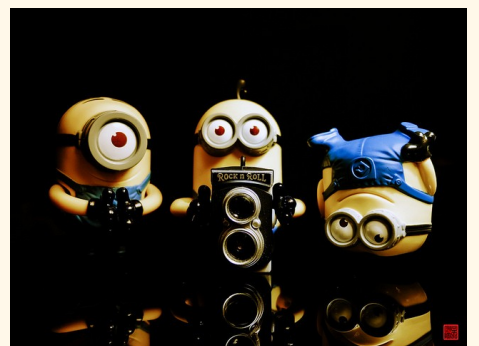

Tuesday, October 31, 2017

5 PM to 8PM

The Anne Arundel County Police Department reminds you of the following safety tips:

- **Stay in groups** while trick-or-treating. Make sure that an adult or a responsible person will be supervising young children.
- Teach your children to stop only at homes or apartment buildings that are **well lit** and to **never** enter a stranger's home.
- **If you are not going with your child, know the neighborhood and route they are taking.**
- Insist that **treats be brought home for inspection** before anything is eaten. Eat dinner before trick-or-treating to prevent the urge to eat treats.
- **Always walk.** Do not run from house to house. Do not cross yards and lawns where unseen objects or the uneven terrain can present tripping hazards.
- **Walk on sidewalks and not in the street. If a sidewalk is unavailable, walk on the left side of the street facing traffic.**
- **Carry flashlights** to help children see better and be seen more clearly.
- Knives, swords and other accessories should be made from cardboard or flexible materials. Do not allow children to carry sharp objects.
- If masks are worn, they should have nose and mouth openings and large eyeholes. Consider using face paint instead of a mask.
- Costumes should not be so long that they are a tripping hazard. (Falls are the leading cause of unintentional injuries on Halloween.)
- If children are allowed out after dark, outfits should be made with light-colored materials. Strips of reflective tape or **glow sticks** should be used to make children visible.
- Review all appropriate trick-or-treat safety precautions, including pedestrian/traffic safety rules prior to your trick-or-treat adventure.
- **Drivers need to be alert** at all times and be aware of children crossing the street.
- Homeowners should keep their homes lit, secure all animals and **give out only candy that is wrapped.**
