CANIDATE FOR 2019 PRESIDENT OF VOMCA

My name is Chris Szverra and I am going to run for VOMCA President for 2019.

I have enjoyed working with everyone this past year as Treasurer, however, I would love to see our association grow. I have some new and exciting ideas for how to accomplish that.

Many of you know that I have lived in the Olde Mill area for 43 years.

I love this community. I've raised my children here.

I've been a girl scout leader for 20 years both with my own girls and then my granddaughters. I've been President of Old Mill Middle North Band Boosters. I, and my late husband Bernie, worked for many years with our swim team as two of our daughter swam for them. And I worked again, when three of my granddaughters swam.

I have many qualification to help me in the role of President.

I have worked hard this past year to try and make a difference in VOMCA. I have also been active in FOOM.

I think that I would make a good President and that I could make a difference in our community.

Thanks,
Chris Szverra

2019 CANIDATE FOR VOMCA PRESIDENT

My name is Marc Mason and I am running to be your 2019 Village of Olde Mill Community Association President.

Most importantly, I am a Christian and love to serve God in any way I can. That includes serving my wife and two sons, work, church and our community.

I have been a homeowner in this community for 16 years and an Olde Mill Swim Club member all that time.

My sons were swimmers on the swim team for many of those years while I enjoyed serving as a swimming official. I was a lifeguard for many years and my sons and wife have been too.

We have volunteered countless hours of our time to maintenance of the pool.

I have also served a couple years as the VOMCA secretary.

It would be my honor to serve you this year as your President.

Marc Mason

MESSAGE FROM NEW PRESIDENT OF FOOM

Hello everyone! For those of you who have not yet met me I am Randal Stites, currently the President of FOOM and a VOMCA board member. This is a test email for me to see if the list I have helps FOOM and VOMCA share the information about what we have going on in the neighborhood, we also frequently will post on what is happening in the Olde Mill area at nextdoor.com, if you are not already signed up at the site please take a look at it as a lot of information is shared there about 700 of your neighbors are already talking, not only about Olde Mill proper but the surrounding communities as well.

I wanted to share with you all what we have planned this fall and invite you to participate, or if you really want to have fun volunteer with us!

FOOM is currently assembling some new picnic tables for Barlow Field and hope to have them installed in a couple of weeks, help is always welcome

FOOM will be installing a test light fixture on one of the volleyball poles to supply some modest lighting to the park area for increased safety

FOOM relies on contributions to make improvements and repairs to the park at Barlow Field, our two big fund raisers of the year are our Barlow Bolt! 5k run in March, and our Quarter Auction on November 17th

FOOM has purchased a tree to be planted in early October that we are going to use as our centerpiece this year and hopefully many more as we do a fun Tree Lighting event on Saturday December 8th at Barlow Field. Join us for hot chocolate, cider, music, hanging a few ornaments and generally spending some time with our families and community.

VOMCA members please remember that annual elections are going to be held at the meeting on October 3rd at 7pm in room 272 over at Old Mill High School. We have two candidates for President this year, Chris Szverra and Marc Mason, and anticipate each may say a few words in the Village Crier about to be released (visit VOMCA.org to see it). We also have a few other board positions if you are interested in getting more involved. If you have not been to a meeting in a while please come as there is lots we would like to do in the coming year, we want to meet new people as well as get reacquainted with those who have served or volunteered previously.

We hope to be able to keep you informed through emails such as this and make it as easy as possible for you to be involved or at least share with us your thoughts and point of view.

Please feel free to reach me if you have questions or comments at any time at rstites@polingerco.com.
