## From the President:

Is that Spring I see peeking around the corner? This has been a crazy winter but I am excited to say that we are approaching the best time of the year. Spring!

And speaking of spring, Olde Mill is having two back to back clean-up days. Mark **March 2, 2019** and **March 9, 2019** on your calendars from **8 am to 2 pm or so to come out and help** with these events. Both of these days are sponsored by Friends of Olde Mill. Our sister group is bringing plants and mulch and dirt to work on the boxes to get them ready for the warmer weather. Reese Szverra is leading the charge and with a little help from her friends, she will have a big start to the season. Our own Vice President and the President of FOOM, Randal Stites, is going to start addressing the drainage issue in the field and looking at taking down some trees and overgrowth. Yours truly and two of her many grandchildren (Mackenzie and Cody) are going to repaint the Village of Olde Mill Sign for everyone to see as they pass by.

**There is one thing we need for these days to be successful and that is you!!! Come out for an hour or plan to spend all day.** Bring your shovel and work gloves or just come as you are. But come out and play with us. It should be a great time and you get to meet your neighbors and contribute to your community.

We have had two successful fund raisers so far this year. I want to thank everyone who sold or bought pizza kits from Ledo's. I'm beginning to think that Ledo's is my new second home. LOL!

Our biggest event is right around the corner. FOOM is holding its annual **Barlowe Bolt 5K run/walk on March 16, 2019**. There is a flyer with all the information on it in this edition of the Crier. Take a look and consider running, or walking. And if, like me, you don't do either if you can help it, then come on out and help. We need race monitors and people to work the desk. We need people to help set up and break down. It's an early event but we have so much fun. And the food is good too!!

We are placing another order for VOMCA T-shirts. They are blue and 100% polyester and they have the Olde Mill logo on the back and VOMCA on the front. The cost is \$15.00 for up to XL and \$18.00 for 2X and up. Show your community pride and order one today.

And finally, our next meeting is **Wednesday, March 6, 2019 at Old Mill High School in room A272 at 7 pm**. We discuss ways to make Olde Mill better, address problems that we are all facing as a community and just have fun! Refreshments are provided. You don't need to be a member to attend a meeting but if you want to vote on issues and ideas then bring your \$20.00 and enjoy an entire year of helping by being a voting member of your community association.

Hope to see you all there!! Chris Szverra

To: All supporters of "Friends of Olde Mill"

Friends of Olde Mill (FOOM) is always busy planning Fund Raising Events to benefit our playground at Barlowe Field located in the Village of Olde Mill, Millersville, MD. We will be holding events throughout the year and appreciate all of the support we receive from local businesses and individuals. This letter is to acknowledge your donation and the tax deduction you may receive as a result of your generosity.

If you have a product or gift card that you would be willing to donate to our organization or if you are willing to buy advertising space in our flyers, banners, and event booklets, we would really appreciate it. All proceeds raised from the fundraisers we are holding will go directly to our playground fund for our community children.

As part of our maintenance efforts we are also looking for skilled electricians, plumbers, landscapers and carpenters to assist our volunteer staff in some minor repairs and improvements such as lighting and perhaps a pavilion.

We started raising funds in January 2013 to replace broken playground equipment and have been continuing to raise money to maintain and make improvements since then. We have installed a Natural Playscape using natural elements to bring nature and playtime together for a more aesthetic, imaginative and creative atmosphere. We have installed a slide, bridge, tunnel, stepping stones, climbing wall, sand pit, pergola, balance beams and additional benches along with maintaining the mulch and weeding. For 2019 we will be adding gardens and sprucing up the park area.

FOOM is a 501(c)3 non-profit organization. Once you have made a donation of any kind we can share with you our tax ID# for your records. We are a volunteer organization and every dollar earned will go directly to designing, creating and maintaining this unique Natural Playscape for the children in our community.

Please visit our webpage at [www.friendsofoldemill.org](http://www.friendsofoldemill.org). If you have any questions, please feel free to contact me at [RStites@polingerco.com](mailto:RStites@polingerco.com) or call/text 202-441-1232. We appreciate your consideration and support.

Sincerely,

Randal Stites

## February Meeting Minutes

February 6<sup>th</sup> 2019

The meeting was called to order at 7:09 pm. We met in room A272 at Old Mill High School.

In attendance: Reese Szverra, Secretary, member  
Lisa England, member  
Chris Hilton, Treasurer, member  
Mary Stites, member  
Randal Stites, Vice President, member  
Paul Shaffer, Pool Treasurer, member  
Walt Zawislak, Swim Team Manager  
Sandy Sacra, Membership, member  
Megan Greenwell, member  
Chris Szverra, President, member  
Veronica Hilton, member

The Treasurer reported the following: as of 2/5/19, the checking account total was \$2,497.88. The savings account balance was \$1,588.86.

The Swim Club Treasurer's report was as follows: the swim club savings account balance was \$35,110.89. The swim club checking account balance was \$19,021.15.

There were some issues with the pool management contract. The pool drain covers are not to code. We weren't sure if this was an issue for the pool company or not. Chris was going to call and ask.

The membership report was that there were 45 member households. 10 of these were brand new – never been members before. Sandy Sacra was given a check for \$50 to cover the stamps for membership cards to be sent out. Also, she is going to send an email to past members to see if they would like to renew for this year. We discussed briefly the issue of needing to find new members and getting people to come out by talking to our neighbors, using next door, and emailing past members. We also discussed putting the email and web address on the OM sign.

The January meeting minutes were not read as they were very long and already in the Crier.

The Ledos pizza fundraiser (1/31/19) total was: \$1062 in sales. \$212 in profits came to us.

Continued next Pg...

Minutes...Continued....

Walt Zawislak, the Olde Mill Swim Team manager, attended our meeting. He wanted to let us know that he will be at the March meeting with a report about the swim team. Their meets will be held in July on Saturdays from 9am to approximately 11:30am. However, sometimes the meets run over and they can't guarantee getting out before 1pm. Their practices will be held from 7-9pm during the week. One of their coaches is an operator and a lifeguard. They need guards for swim meets. They will be able to use the Snack Shack. They usually need grills, a fridge, and a freezer. Walt said he had the permit for the Snack Shack. (Yay!) We discussed the possibility of having "adult nights" at the pool - not limited to membership, no one under 21 may attend, every Friday night from 6-9pm. This was eagerly supported by membership. We will vote on this at the March meeting.

Walt brought up dropping the bond. This will be discussed further at the March meeting.

Randal found a Girl Scout troop to partner up with our community for future events. They are led by Karen Scheel and meet out of St. Bernadette's. Reese will contact them about the Easter egg hunt.

Chris forwarded information about the Post Office! She contacted Allison Pickard, who sent her to Congressman Brown. A spokesperson, called simply "Jason", was very helpful. He said there was structural damage to the building, but their projected opening would be around April. (This was later amended to June 1<sup>st</sup>). Although they thought they could have someone out to the meeting, Chris later found out that they will not. However, they have addressed all of the collected concerns from the community and will report on these at the March meeting. The updates have also been posted on the Next-Door App.)

The focus of the meeting shifted to some FOOM business to discuss the upcoming Barlowe Bolt, the biggest fundraiser of the year for them. All of the money made will benefit the park. People were encouraged to come out to support the event, held on March 16<sup>th</sup>, 2019. You can run or walk. The walk is dog friendly. (There is no fee for dogs to walk in the Bolt.)

On April 13<sup>th</sup>, 2019, the annual Easter egg hunt will once again be a VOMCA sponsored event. Reese Szverra will be the chairperson. We are collecting candy at the March meeting to fill the 1,000 Easter eggs to be hidden for the children of Olde Mill. There is a Girl Scout troop out of OMMS that might hide the eggs for us. Reese will contact them.

Fundraiser talk – Ledos is sponsoring a frozen pizza kit sale. We will earn 20% of sales, unless we sell 20 kits. Then we will earn 25% of sales. There are 3 pizzas in the kits. We will sell from 2/6 to 2/20. Pizzas take approx. 2 weeks to deliver. Do not add sales tax. Make checks payable to VOMCA.

We discussed needing people to advertise in the Crier. We also discussed whether or not a non-profit should be charged to advertise. The membership voted NOT to charge non-profit organizations [501(c) 3 groups, only, to advertise in our Crier.

We talked about Crier distribution. People miss a paper Crier. This will be addressed again in the future.

Paul talked about the trash problem on the Barlowe field. We need more trash cans and trash bags. FOOM is going to donate 3 mounted trash cans and will empty them once a week at their own expense. We discussed if the field is eligible for trash collection. No one knew. Chris S. will find out. We also want to have a dumpster day for the neighborhood.

Randal wanted to see how people felt about a Krispy Kreme donut fundraiser. This would be FOOM taking orders and delivering to doors on Sunday morning. We all agreed that it would be a good idea. Although this is a FOOM fundraiser, we gave input. Randal will deliver. We all look forward to this particular fundraiser and having fresh donuts on our doorstep Sunday mornings.

Someone brought up that there are no crosswalks across Old Mill Rd that are really safe and that we are sort of 2 divided communities because of this problem. Chris S. will check with Traffic and Engineering to see what we can do about possibly getting a cross walk put in.

A motion was made to adjourn the meeting at 8:51pm by Reese; seconded by Megan; we agreed and adjourned.

Respectfully submitted by Reese Szverra, Secretary
