Hey Olde Mill!!!

Are you guys having a great summer so far? I know I am. The pool is open and inviting. The swim team has started their meets and are having a good time. Family Fun Day was fantastic. And we are making major progress on the snack shack. The new opening is installed in the front and it just needs to be finished and painted.

Permits are in the works and it won't be long until you won't have to walk to 7-11 or call Domino's for your snacks or lunch.

Our next big activity is the Community Work Day. This will be held at Barlowe Field on July 20th from 8:00 AM until 2:00 PM or until everyone leaves. It will be a day full of work. There is a lot to do. But it will also be a day filled with fun, food, music and fellowship. We are providing lunch for our workers, as well as drinks and good tunes. There will be a tent with chairs so anyone can take a quick rest. We are finishing painting the Snack Shack. There are flowers to be weeded. The drainage ditch is getting there but now we need to spread dirt over it. There is raking and picking up trash. So plan on coming out. If you're not a member of the pool, we'll have **free pool passes** for anyone who helps us and would like to take a cool dip. For our pool members, you can plan on jumping right in when the work is done. It should be an awesome day!

As I have said before, this is a great time to be a part of the Village of Olde Mill Community Association. There are changes coming to our community and being a part of the association gives you a chance to know what's going on and have a say in those issues that affect us all. We CAN make a change. Maybe we can't stop progress (and might not want to) but we can make our voices heard. So come on out to the next VOMCA meeting. It's going to be on **July 10th (change of date) at 7 pm** at Wendy's on Veterans Hwy and Old Mill Rd. Mention you're with VOMCA and you'll get a 15% discount on your order.

So come on out and say hi. Grab a burger and some fries and get to know your community association and see what we do!

Happy 4th of July!

VOMCA Meeting, Wednesday, July 10, @ 7PM at Wendy's, Veterans Hwy.

Message from Randal Stites, President, Friends of Olde Mill

Thanks to Paul Shaffer, Chris Hilton, Chris Szverra, and Mary Stites for their help at the Snack Shack Saturday 6/22. The old Snack Shack serving door, on the pool side, has been replaced with a new one. It needs some detail touches and paint but I am thrilled we made that transition. Now, who wants to man it for the first day?

Our **recycling program** hit a snag, they did not pick up this week because the “toters “did not make it to the curb (bottom of ramp right in front of the pool gate) and there were items in the toters that were not acceptable for recycling such as plastic bags, chip bags and some other items, I need everyone’s help in monitoring what goes in the recycling bins and educating our park goers of what is acceptable, we are working on some sort of signage but for now if we only put: **Cardboard, Clean paper, & Empty plastic drink bottles**. Everything else can go in the trash.

If we offered a **free movie night** in the field and showed old scary movies (no gore) with classic monsters like Dracula and Frankenstein, maybe even Killer Tomatoes on a Friday night, would you join us?

We still **need more FOOM Volunteers, and VOMCA and Swim Club Members**. Please tell your neighbors and friends about what we are doing and see if you can bring them out to meet us.

[Barlowe Field Improvement Day Saturday 7/20 from 8am to 2pm](#)

Please let me know if you will be able to join us so we can plan accordingly. We are offering hamburgers and hotdogs, soda, music and shade to all who join us, maybe even pool passes.

What do we hope to do? Glad you asked:

- Do more painting on the Snack Shack
 - o We have to finish the door green (details and additional coats in some places, the inside of the door to the pool and all of the double doors and frame of the storage room)
 - o Paint some of the walls in the kitchen and restrooms white, a little bit of peeling white paint needs to be scraped off

- o Paint the floors in the restrooms and kitchen grey, we will do the floor of the storage area later if we want to
- o The new wooden serving door needs primer and paint but PLEASE try to keep the paint off the new hardware.
- o All of the paint and supplies are on site, if you can paint between now and 7/20, I can get you access to do so.
- We have two new light fixtures for the restrooms that need to be installed.
- Replace the women's room wax ring on the toilet and the gasket on the men's room urinal.
- Replace some of the exterior wood. Some staining of the wood may be needed.
- Ø Joe King has offered to work on retrofitting the pole lights at the pool to LED and possibly even getting us electricity (permitted and legal) to the Volleyball Poles; this is still in discussion.
- Ø The Doggy Poo Station has been delivered to my house; if it is not installed by 7/20, I could use a volunteer to put it together and mount it in the ground.
- Ø I have a source that has offered to supply us with a large volume of top soil at no charge but I have to hire a truck to move it. This soil would be used to cover the drainage stone, level the muddy area to the north of the pool, and to improve the base in the dugouts (all 4) if all goes perfectly. I have an equipment operator that has volunteered to move the dirt and level everything out for us. I will likely have to rent the equipment but it will be worth it.

Thanks everyone, feel free to contact me with comments, questions and offers to help improve our Community.

Sincerely,
Randal Stites

The first 2 teams scheduled for the day are responsible for helping with field setup.

The last 2 teams scheduled for the day are responsible for helping close down the field and trash pickup.

\$800 League fee due by start of 1st season game (games may be forfeited if not paid).

A player on your team will only be eligible for the end of season tournament if he played in 8 games during regular season (on any team).

A qualified player can play on any team during a tournament, but must remain on that team's roster throughout the duration of the tournament.

Barlow Rules, with following exceptions:

Banned Bats are found on the USSSA website. Offenders will be suspended rest of game plus next game, 2nd offense gone for season.

15 Run Slaughter Rule and 4 Innings, 12 after 5 Innings regular season. (10 after 5 Innings run rule in tournament).

4 over the fence Home runs allowed per team, per game (if the ball hits the big tree in right field or other trees/bushes this rule also applies)

5 over the fence or hit the tree Home run is INNING ENDING

Center Field is now "OPEN", meaning get what you can get.

All bat starts with a 1 and 1 count with NO WASTE

10 minute grace period for 1st game of the day to have at least 8 players

30 minute grace period to have at least 8 players for 2nd game of OH if forfeited first game.

Teams may pickup players to field 10 during regular season to avoid forfeit. See above for tournament qualifications.

If a team used pickup players and a regular player arrives he must enter in place of a pickup player.

2 weeks Forfeited will make team ineligible for Tournament

No penalty is applied for only using 8 or 9 players.

No time limit for end of year tournament games.

Courtesy Runners are allowed by using the last player who was OUT.

Multiple Courtesy Runners are allowed, but each player may only run once per inning.

VOMCA Meeting Minutes

June 5, 2019

The meeting was held this month at Wendy's on Veteran's Hwy. Start time was 7 pm. In attendance: Mary Stites, Rick H., Paul Schaffer, Lisa England, Chris Szverra, Sandy Sacra, Chris Hilton, Reese Szverra, Charlie Santos, Megan Greenwell, Randal Stites, and Sarah Hakulin; all members.

VOMCA Treasurers Report: checking \$2768; savings \$1589. We have 58 current VOMCA members.

Swim Club Treasurers Report: checking \$46,033; savings \$35, 571

Fundraising amount was \$354.

Swim Club membership – 129 active members, 43 inactive members, 5 transfers, 4 new certificates.

VOMCA membership is low. We need more members! Sandy Sacra did not have the current figures.

Last meeting (on May 1st) the minutes were voted on and no changes were needed. Passed minutes as presented.

VOMCA t-shirts can be reordered, but we need orders and we only have 3 for XL.

Storage and attic space, bins for family fun day are downstairs. Items are being stored that previously were being stored in people's homes. Shelving replacement was proposed for the guard's room at the pool.

Discussed where to place the pool signs. Areas like Fox Chase, Elvaton Rd, and Oakwood Rd could be a target for advertising pool members.

We made \$150 on the Ledo's pizza sale!

New Business:

The goal for VOMCA is to make the pool as nice as it can be, while raising money to move forward on much needed repairs. Communication is poor between the people who are helping VOMCA and the pool committee. This needs to improve. We are going to replace the tables, chairs were donated by Shipley's Choice community pool (via John Mason – thank you to him!), plumbing is being fixed, etc.

Chris Szverra is in charge of making the final decisions for the pool. This is not negotiable, as it is part of the job of the President of VOMCA.

We discussed the storage shed and renovations and improvements. Chris will follow up on permits before the next meeting in July.

We talked about mowing the lawn at the pool. The lifeguards can't do it unless they are paid for their time. Paul Schaffer has been handling this. Thank you, Paul!

Family Fun Day – June 8th, rain date June 9th. Colleen and everyone are making the plans to bring it together. More on how this went in the next Crier!

Does anyone know of a lawyer in Old Mill? We are looking for someone to give legal services to VOMCA. No one knew of anyone, but they will all be looking and asking around.

We discussed talking up the pool memberships. Word of mouth, putting out signs, etc. to boost membership.

VOMCA will be supporting the swim-a-thon this year with a \$100 donation! We would like to support the swim team in all that they do. You can contact Lisa England to sponsor a swimmer or to donate to the event.

The Fall Festival will be held in October this year for the first time in Old Mill! Reese Szverra is in charge of planning this event. The 4H will be there with a petting zoo. More information to follow!

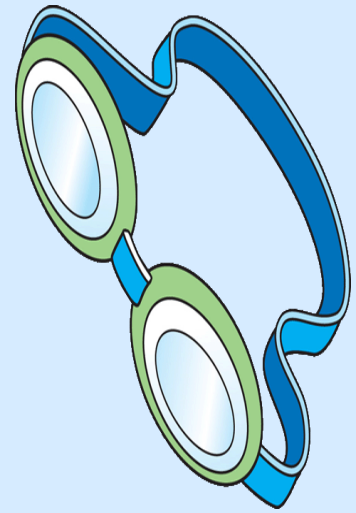

Community work day on July 20th. There's still plenty of work to be done, so come out and help!!! Chris will follow up with CAT North about getting workers with skills. They may need service hours and the work days would be perfect. FOOM purchased recycle bins and are paying the fee to use them. There are garbage bags in the snack shack storage area. The bags need to be changed if they are full. If you notice they are full, you can contact Randal or Chris to get them changed. Someone will need to take the garbage to the dumpster as well.

Kristin Etzel is the assistant to Allison Pickard. On June 18 at 6:15 pm, there will be a meeting at the Grace of God Fellowship Church. Located at 8302 Elvaton Rd. to discuss the new houses they are building on Elvaton. Please attend these meetings as they happen to make your voice heard and to stay informed.

At 8:48, there was a motion by Sandy to adjourn the meeting. Lisa 2nd the motion. The motion passed and the meeting was adjourned at 8:48 pm.

Respectfully submitted by: Reese Szverra, Secretary

NEWS & NOTES

Cullens' Project

A meeting regarding a new development project at 8314 Elvaton Rd, was held on June 18 at the Grace of God Baptist Church.

A parcel of 3.88 acres is being planned for 5 single family lots by Messick Brothers, Engineering. Concerns focused on Elvaton Road, traffic, and potential water problems. House prices start in the \$450,000 range now common for new Developments.

Public water will come through Wade's Grant development. Final plans are at least 2 years away. Any Questions regarding upgrades to Elvaton Rd., should be discussed with Representative Allison Picard for our 3rd District. Subdivision Questions, call Planning & Zoning 410-222-7458.

Mosquito Spraying: Due to employment Issues at the Dept. of Agriculture, spraying is not expected to begin until July. Wednesday Is the day assigned to Olde Mill.
