President's Message:

It has been a hot July!! I hope you all got through it unscathed. As I write this, the weather has broken and it is beautiful outside. Our swimming pool is in full swing. The swim team had a fantastic year, filled with swimming, learning and fun. Our Snack Shack is almost ready to open. There is hot water, working outside toilets, new lights, paint, new shelving and so much more. All of the paperwork is ready to go. It is just a matter of getting it approved and then its hot dogs, hamburgers, and the work for OMSC.

I want to take a moment here and thank some really hard workers who have done above and beyond the call of duty. Randal Stites has worked tirelessly at the pool, braving the weather, both hot and wet, to do so many things. He has organized, done plumbing work, climbed in and out of the attic, painted, put up the new doors at the counter and so much more. His wife Mary has both worked by his side and let him spend way too much time fixing all that was broken.

Paul Shaffer has painted most of the kitchen area of the snack shack by himself. I am amazed at the amount of work these two men have done. But they were not alone, Kristin Loving, Joe King, Chris Hilton, Lisa England, Mary Stites, and Scott Loving have also been working tirelessly at the shack.

We canceled our community clean-up day because it was 105. And these people still showed up and worked. Thank you guys so much for all you do for your community and for the pool. And let's not forget FOOM who is funding the repairs and OMSC who put a new freezer in the shack and have been working beside us to get this job finished. If I have forgotten anyone, and I'm sure I have, it's not because you're not appreciated. It's because there were so many of you

VOMCA Meeting, Wednesday, August 7 @ 7PM at Wendy's, Veteran Hwy.

President's Message Continued:

who lent a helping hand.

We have another opportunity for the Community to come together on **September 28th**. Same deal as before. We will provide a cook-out of hot dogs, hamburgers, condiments, sodas & water, a shady area to sit, fans if we need them, and of course MUSIC!! So plan on taking some of your busy Saturday and come on out, mingle with your neighbors and help beautify your community.

Our next VOMCA meeting is **August 7th at 7 pm at the Wendy's** on Veterans Hwy. We will be discussing the pool, the car show and the next Community Clean-up day. We just finished a fundraiser at Ledo's and we will have another one on the **14th of August**. So mark your calendars for both. And come on out and see what FOOM is all about. We will meet on August **15 at 7 pm at my house, 8263 Mimico North**. We have a lot of fun and we make a lot of money to make Barlowe Field the best of any park around.

And it's still not too late to JOIN VOMCA. Elections are coming up. We have a Fall Fest and a Tree Lighting coming up. We can use your help, your ideas and your dues. So look at the end of this Crier and fill out the membership form and join VOMCA.

Chris Szverra, President

SPECIAL GUESTS AT OUR AUGUST MEETING!!

I am please to announce that we will have special guests at our August meeting. Kristin & Chris Steelman from Rippling Woods will be there to discuss the Car Show that they chaired for the school last year. We are considering doing one and they are going to give us the benefit of their experiences to help us along.

And I am also very please to announce that Cpl. R. Scott McAdoo from the Anne Arundel Co. Police will be there to take your questions and discuss our community.

This is a great opportunity for you to come out and see what your community association does. Because of our guest we will only have a very short business meeting. Our August meeting will be held at Wendy's on Veterans Hwy at 7 pm. Mention you are with VOMCA and you will get a 15% discount. Any questions, please contact me at 443-852-2098 or mdwhere4u@aol.com.

SPECIAL GUEST AT OUR OCTOBER MEETING!!

It gives me great pleasure to announce the Councilwoman Allison Pickard will be at our October meeting. This is a great opportunity to come out and meet her and ask her any questions you might have.

This is also our first meeting back at Old Mill High School RoomA272 at 7 pm.

And it is Election of Officers. So if you are a member of Old Mill you can come out and vote and/or run for an office (please see additional information in the Crier) and get to meet our Councilwoman.

If you have any questions, please contact me at 443-852-2098 or mdwhere4u@aol.com

ELECTION OF OFFICERS - OCTOBER MEETING!!

Hey everybody, it's that time again. We will having election of officers at our October meeting. Because we are having a special guest, Councilwoman Allison Pickard, we will be voting first thing so try not to be late. If you are planning on running for office you must have your dues paid by September 1st. If you mail it, the postmark must be September 1st. If you are interested in being on the ballad please contact the Board and let them know. board@vomca.org

I will be running for a second term as President. I have really enjoyed working in the community and I feel that I have accomplished a lot in a short period of time. I have plans to continue to try and improve the community and the OMSC.

Randal Stites will be running for Vice President. Anyone who knows Randal knows how committed he is to Old Mill and how hard working he is.

The position of Secretary is open. If you are interested you must be at all meeting to take minutes and record votes.

Chris Hilton is running for a second term as Treasurer. He has done a great job keeping track of our finances and reporting to the community what goes on with our expenditures. Also, he has been working tirelessly along with most all of the committee on improvements and activities.

Unfortunately, our long time Membership Chairperson, Sandy Sacra has moved out of the Olde Mill area and is no longer eligible to hold this office. So we are looking for someone to run as the Membership Chairperson. This position requires you to maintain our database and to record and report on our membership as people join. Also, mailing our new membership cards out to our members.

Board position will be voted on at the November meeting.

Any questions can be directed to the board@vomca.org or you can contact me at 443-852-2098 or mdwhere4u@aol.com

Don't forget to come out and vote and stay to meet your Councilwoman!

"Signs, Signs, Everywhere Signs!"

The corner sign says 10 mph around the turn but wait there's a "Yield", What do I do? Where is the on-coming traffic coming from that I am merging into? Oh wait, I am on-coming traffic, aren't I?

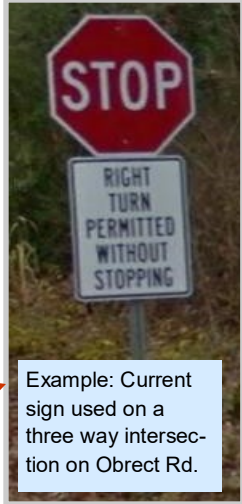

Hmm, I see someone at the other "Stop" Sign! Are they turning left? Do I need to stop? Guess I better "stop"? But, I have the right-of-way, don't I?

Current signage leaving Wade's community.

We now have mass confusion with 2 Stop signs and a new Yield(?) sign...
 What we should suggest is putting up a "No Left Turn" sign under the stop sign, see suggestion. In addition, add a "Right Turn Permitted Without Stopping" sign on the stop sign for the lane that is on Oakwood Rd see suggestion below and example to the right. Then remove the "Yield" and second "Stop" sign.

Example: Current sign used on a three way intersection on Obrect Rd.

Suggestion: Add a "No Left Turn" sign to prevent head on collisions.

Suggestion: Add "Right Turn Permitted Without Stopping" sign.

NEWS & NOTES

(Article from Baltimore Sun)

FAA to Reconsider BWI Airport Flight Noise

The Federal Aviation Administration will reconsider its position challenging Maryland over new flight patterns and the noise they bring residents living near BWI Thurgood Marshall Airport.

The FAA filed a motion Tuesday to hold Md's case in abeyance while it reconsiders.

In September(2018), the FAA wrote a letter to the state declining to respond to a petition asking for more review of the flight patterns.

Maryland Attorney Brian Frosh says he's hopeful the FAA will undertake a review of the facts and ultimately lead to changes in flight paths. Gov. Larry Hogan says his administration remains committed to restoring the quality of life for residents around the state's airports.
