## President's Message:

As hard as it is to believe, it's September already. The kids are going back to school, the pool is closing for the year, and we are getting ready to start our community's fall activities. Time sure flies when you're having fun.

Our community has come a long way this year. There have been challenges and there have been triumphs. We have enjoyed the Easter Bunny, a giant slide and dunk tank and some great progress at our pool. We have worked along side of FOOM as they fixed the snack shack and beautified and improved the park. We've rooted on our very own Torpedos Swim team as they had a wonderful season. And we learned a lot about our pool and what makes it run.

Our fundraising was very successful so far. And I am very pleased with the increase in interest and membership. We've had our first guest last month when Cpt. McAdoo came and talked about our community safety. **October's meeting will bring Councilwoman Pickard to our meeting to talk to us and answer questions.** We will have our very first Fall Fest in October and the second annual Tree Lighting at Barlowe field in December.

President's Message Continued Page 2

## President's Message Continued:

Along with the Fall, comes our election of officers for the 2020 year. Elections will be held at our October meeting. You must be a paid

**VOMCA member\* by September 1st** in order to vote.

I am once again running for President of VOMCA. I have worked hard for the Olde Mill community this year and I'd like to have the chance to continue the efforts to make our community the best in Anne Arundel County.

My Vice President, Randal Stites, is also running for another term and so is our Treasurer Chris Hilton. We are looking for a new Secretary and a new Membership Chairperson. If you are interested in running for an office please let me know so we can put your name on our ballot. We will vote for the Board at our November meeting and there are 2 open Board positions if you'd like to serve.

We have so many opportunities to work together, play together and build the kind of place that we love to call home. So come on out. Volunteer, support, participate and get to know your neighbors. Olde Mill needs you.

Chris Szverra, VOMCA President

## **SPECIAL GUEST AT OUR OCTOBER MEETING!!**

It gives me great pleasure to announce that Councilwoman Allison Pickard will be at our October meeting. This is a great opportunity to come out and meet her and ask her any questions you might have.

And it is Election of Officers. So if you are a member of Olde Mill you can come out and vote and/or run for an office (please see additional information in the Crier) and get to meet our Councilwoman.

If you have any questions, please contact me at [443-852-2098](tel:443-852-2098) or [mdwhere4u@aol.com](mailto:mdwhere4u@aol.com)

## **ELECTION OF OFFICERS - OCTOBER MEETING!!**

Hey everybody, it's that time again. We will be having election of officers at our October meeting. Because we are having a special guest, Councilwoman Allison Pickard, we will be voting first thing so try not to be late. If you are planning on running for office you must have your dues paid by September 1st. If you mail it, the postmark must be September 1st. If you are interested in being on the ballot please contact the Board and let them know. [board@vomca.org](mailto:board@vomca.org)

I will be running for a second term as President. I have really enjoyed working in the community and I feel that I have accomplished a lot in a short period of time. I have plans to continue to try and improve the community and the OMSC.

Randal Stites will be running for Vice President. Anyone who knows Randal knows how committed he is to Olde Mill and how hard working he is.

The position of Secretary is open. If you are interested you must be at all meetings to take minutes and record votes.

Chris Hilton is running for a second term as Treasurer. He has done a great job keeping track of our finances and reporting to the community what goes on with our expenditures. Also, he has been working tirelessly along with most all of the committee on improvements and activities.

Unfortunately, our long time Membership Chairperson, Sandy Sacra has moved out of the Olde Mill area and is no longer eligible to hold this office. So we are looking for someone to run as the Membership Chairperson. This position requires you to maintain our database and to record and report on our membership as people join. Also, mailing our new membership cards out to our members.

Board positions will be voted on at the November meeting. Need 2 volunteers.

Any questions can be directed to the [board@vomca.org](mailto:board@vomca.org) or you can contact me at

[443-852-2098](tel:443-852-2098) or [mdwhere4u@aol.com](mailto:mdwhere4u@aol.com)

## August VOMCA Meeting Minutes

The meeting was held on August 7th, 2019, at 7:00 pm at Wendy's on Veteran's Hwy. We started at 7:05 pm. In attendance were Reese Szverra, Mackenzie Simmons, Chris Szverra, Lisa England, Chris and Kristin Steelman, Jim Sacra, Sandy Sacra, Sarah Hakulin, Paul Shaffer, Marc Mason, Charlotte Rader, Cpl. Scott McAdoo, Chris Hilton, and Rick Haynesworth. All are members except Mr. and Mrs. Steelman and Cpl. McAdoo.

The treasurer's report as of 8/1 is as follows: in checking; \$2,744.15; savings, \$1589.64.

The Swim Club treasurer's report as of 8/1 is as follows: checking, \$49,148.97; savings,

The membership report is as follows: VOMCA, 63 households; swim club memberships, 159 active, including 12 new and 9 transfers, and 42 inactive.

There was a correction needed to the July minutes. The balance for the swim club checking account was listed as \$5720; it should have been \$57, 207.83. A motion to accept the minutes from the July meeting with this correction was made by Chris Szverra and seconded by Sandy Sacra. The motion passed unanimously to accept the minutes from the July meeting with the correction.

Ledo's fundraiser will be held on 8/14. Come out and support VOMCA!

The Fall Fest will be held October 26th. We need clothes to make scarecrows! Toddler clothes are preferred. Drop offs can be made to Reese Szverra at 8263 Mimico North. Please contact anyone from VOMCA to set this off or just leave a bag on the porch! Thank you for supporting this event!

The Quarter Auction will be held in November. We are looking for donations and participants! Come out and help!

Someone used the Click Report to anonymously report VOMCA and FOOM for work they believed was being done without the proper permits. An inspector came out and we are happy to report that no problems were found with the work that has been done in the pool/playground/snack shack areas. Thank you to Randal Stites who took the day off of work to meet with the inspector. The field and snack shack were both thoroughly checked, and only a plumber was needed for a job that hadn't been completed yet. There were NO violations found and a permit is on the way for the pipe that needs a plumber.

Chris and Kristin Steelman were at the meeting to talk to us about the RWES car show that they ran at OMHS. They told us how much they spent, what sort of time period we needed for planning, how much space we needed, etc. We also talked about the contract for vehicle owners. They offered to answer any other questions that anyone has and left a phone number where they can be contacted.

We were joined by Cpl. Scott McAdoo from the Anne Arundel County Police Community Relations Council. He is the community outreach officer for the eastern district and the liason for PACT - Police and Community Together. He shared a lot of information with us about the police presence in our neighborhood and the crime stats for the community. He shared that the staffing is really thin, with only about 3 officers patrolling at any one time. He also shared the **non-emergency phone number: 410-222-8610**. You can call this num-

ber and remain anonymous to report anything you see that might need checking out. His phrase: If you see something, say something!

Because staffing is so thin, Cpl. McAdoo emphasized how much of a difference the community members can make when it comes to stopping crime. He told us that it's better to say something so that things that look suspicious can be checked out. This can help prevent crime before it happens. For example, theft from autos is common in our area. Most of the time, the doors were left unlocked in the cars which had items stolen. So, secure your valuables, lock your doors, and if you see something, say something! Call the police even if the amount stolen is small. This helps them to track where crime is happening. 80% of all crime is about drugs. If you can reduce drugs, you can reduce all crime. Call the police if you notice something that doesn't seem right.

Cameras help reduce crime also! They are affordable also. Ring doorbell, NEST, animal vision cams, Verizon and Comcast both offer a camera for your property's protection. Ring App is a neighborhood App that is free to use. It only deals with crime and neighborhood issues. No camera is needed. Police are contacted when something is reported there. All users remain anonymous. You can pick the neighborhood that you keep track of. 30,000 people in AA County use this App. For every 20 people who download the App, Ring will donate a camera to the neighborhood. Cpl. McAdoo had one with him to give away. The service is only about \$3 per month or \$30 per year to record on this camera. (Here he gave us a fundraising idea. Thanks for helping us out, Cpl. McAdoo!)

Lights are also very helpful to keep crime down. Motion lights, outdoor lights, indoor lights. He also mentioned that dogs are a great security system!

Security surveys are offered free by the police! This is a home security survey where the police will come to your house to assess where you might need to beef up your precautions. Contact Cpl McAdoo to set one up!

The Police Community Relations Council meets the 3rd Wednesday of every month at 7:30 pm at the AA County police station off Veteran's Hwy. There is always someone there from the Police, a guest speaker, and people to connect with from the community.

The Citizens Police Academy is an opportunity to learn more about what police do. There are several weeks of training with the police, which is free.

Not ready to commit to several weeks? You can go online to request a ride along with the police. However, you should have a good reason to request this service. Police station tours are available as well.

Mobile Crisis hotline is available 24/7 to help with any issues that you may experience. Counsellors will come to your house and talk to you or a family member for free if you find that you have a situation that is out of your control or if you just need someone to talk to for help.

The police also have a program called the Safe Station Program. You can go to any police or fire station with drugs and get help for yourself. You have to come in on your own, and you have to surrender your drugs. About 5 people per day are getting help through this service.

The police headquarters hours are 7:30 am to 4 pm.

## VOMCA Minutes Continued.....

They offer prescription drop off and disposal. You can bring any prescriptions you have around the house that you no longer need and you can dispose of them at the station. Needles, syringes, drugs, etc can all be disposed of safely here.

In conclusion, Cpl McAdoo wanted to know how he could help. He wants to hear your concerns and what things you think we need to improve on. (This prompted a discussion about facing the correct direction when you park on the road and about the new traffic pattern that is emerging where Old Mill Rd turns to Oakwood.)

The county police follow the Neighbors App and sometimes, the NextDoor App.

Cpl McAdoo will be joining us for the fall fest! You can come see his patrol car and pick up some information about these awesome programs run by the police department!

The September meeting will be held at Old Mill High School.

There are positions available for next year's officers. A list of who will be running will be in the Crier. Elections are in October.

**Also in October, we will welcome Councilwoman Pickard!**

We discussed American Pools a bit. The Pool Committee meeting will be TBA. There is still one payment left to go for American Pools. There is a lot to discuss about the pool.

The FOOM meeting will be held on 8/15.

The motion to adjourn was made by Reese and seconded by Sandy Sacra.

We adjourned the meeting at 8:55 pm.

Submitted by Reese Szverra, Secretary

\*Editor's Note:

Since Reese Szverra will not be continuing as VOMCA Secretary for the year 2020, we would like to thank her for her service to VOMCA and for her thoroughness in writing the minutes of the VOMCA meetings this year!

# ATTENTION

Good afternoon. The Anne Arundel County Police Department has joined Neighbors by Ring. Neighbors by Ring is the Neighborhood Watch App that sends real-time crime and safety notifications directly to your phone. Cameras are a huge asset to our investigations and keeping our communities safe. I hope you will consider participating.

Here are a few benefits:

1. The App is FREE and can be used with any compatible iOS or Android device and with most security camera systems (not just Ring)
2. This App is only for crime and safety content
3. All users can remain anonymous
4. 24/7 monitoring
5. You define which neighborhoods to participate with
6. Currently over 30K people in Anne Arundel County are using the Neighbors App.

## **FOOM note for September Crier by Randal Stites, President**

Welcome to all the new people who have become involved in FOOM and VOMCA recently! As the summer ends and the heat calms down we have lots we would like to accomplish this fall. Our big event is the Community Day at the park on Saturday September 28th from 7am to 2pm. Since we had to cancel our previously scheduled Community Day on July 20th due to heat we have a long list of simple projects. First I would like to say thank you to all of those volunteers who still came together on 7/20 anyway and did a lot of work in the Snack Shack. THANK YOU!

We had the inspectors come out and look at all of our work in the Snack Shack and the park and received great input from them and we are on track once we get the final inspection on the women's room pipe replacement. We would like to find community members who are licensed Plumbers and Electricians to help us with permitting of future projects, we have lots of volunteers to perform work with your guidance.

Many of you have seen the list of things we want to achieve, it boils down to finish the capping of the drainage work, finish the painting and exterior wood repairs at the Snack Shack, and lots of seasonal gardening, we also would like to restripe the parking lot and basketball court before the winter. We can keep everyone from the novice to the professional busy for a while and we always have fun. Of course we will be serving lunch, and maybe a bit of early morning donuts and coffee.

We do have a couple of opportunities for people willing to lead:

All of those involved with the improvements to the Snack Shack want to have it used as much as possible for the benefit of the pool, the park, and the users of the park and we would like to find someone interested in being the coordinator for the next several months, let us know if this interests you.

FOOM Note by Randal Stites, President, continued next page....

### FOOM Note Continued:

We are also looking for a coordinator to help us establish a gardening club, we have several gardens at the park that we need to maintain and even improve, and we want to add some new creative gardens as well. We are hoping that a coordinator could help us to bring together everyone who enjoys digging in the dirt, being creative, and taking pride in what they are able to create. As part of this we would like to be able to offer gardening lectures at the park a few times a year that include an expert and a little hands on project. Two new gardens are currently in discussion, one on Old Mill Road where the slope has shifted, the Anne Arundel County Inspector gave us a great idea to address that issue and enhance the look of our park to those using Old Mill Road, the second is at the entrance to the parking lot, what we call the memorial garden needs a new vision and we create something that reflects the pride we take in our park and community. We have a modest budget but lots of mature plants to redistribute and many people have expressed interest in both participating and donating additional plants from their gardens or from local nursery's.

Show your pride in our community organizations, we have both FOOM and VOMCA T-shirts available at a modest cost.
