Old Mill High School Senior Parade

The parents of the Old Mill High School graduating class of 2020 cordially invite you help celebrate the accomplishments of this year's Old Mill High School Seniors by participating in a celebratory parade. This year's graduates will line the road in their caps and gowns on June 4th, 2020 commencing at 1 pm.

For additional details of the celebratory parade, please visit the "Old Mill High School Graduation Parade" Facebook page

Old Mill High School Senior Parade Route

The Old Mill High School seniors will be standing along the route in their cap and gowns. The route is as follows...We will be starting in the parking lot behind Wendy's on Veterans Hwy.

Follow Old Mill rd down past 7-11, Left on Oak Wood Rd. Left on Elvaton, then left on Shetlands where the parade ends.

Please support the seniors by driving tute and honk/cheer for them. Their School colors are red , white, and blue if you'd like to decorate your vehicle in the school colors.

June 4 @ 1:00 HS Parade

VOMCA Meeting, Wednesday, June 3, 2020 Via Discord—Info Inside

President's Message:

Hi everybody in Olde Mill. What a strange time's it's been! And yet with all the challenges facing us, we are coming through like true warriors. The yards are beautiful. Everything looks so green and well cared for. I have seen so many people walking with their families and their pets and their partners. It makes me feel so good to see so many Olde Mill community members out and about.

VOMCA and our sister organization has not been idle. FOOM has a message later in this newsletter and you should all read it. The plans that they had for fundraising actives are only on hold and not canceled. They plan on having their Bolt in the Fall and are considering the Flea Market too. The gardens are going to be beautiful and there will be people to maintain them as we go along.

VOMCA is also planning to do a lot of activities this fall. Since most of our events had to be canceled, we are just planning on making the ones in the latter part of the year even more spectacular then last year. Our Fall Fest is going to get combined with our Spring Fling and I promise you will be amazed.

And we are doing good in the community right now. VOMCA is holding an On-going NCEON Food Drive. We started this activity on May 7th and in the 20 days it has been going on, I have made three trips to the Food Pantry (located on 5th Ave in GB). The first one I took 7 boxes of food and a total of \$90.00. My second trip I took 7 boxes and 2 laundry baskets filled with food. And this last trip I took 5 more boxes. They have been very grateful for the food. They are dangerously low since most of their donations come from churches, civic organizations and scouting programs, all of which are not meeting right now. Our collection is simple and no contract. Just leave your donation on my porch at **8263 Mimico North** and once a week I take it to the pantry. I bring it in and box it up and off it goes. Olde Mill you make me proud to be a part of you. (See Pictures).

We are still holding meetings via Discord on the first Wednesday of each month at 7pm. There are instructions in this newsletter on how to attend. It's a bit more chaotic than our normal meetings. Well....maybe not. LOL.

Our pool is not open yet but we have every faith that it will be. OMSC is planning on **Opening July 1st**. So be ready, members, to have some fun in the sun and the pool. If you'd like information on joining, let me know and I can give you the information or you can contact Randal Stites. His information is at the end of this newsletter.

I am optimistic that the next newsletter will be filled with activities and events and fundraisers, and all manor of exciting things. In the meantime, stay safe, stay well and listen to your County Executive and your Governor.

Chris Szverra,
President VOMCA

MOSQUITO INFORMATION
IN THIS ISSUE WITH OPT OUT FORM
INCLUDED
SPRAYING Starts June 3

POOL Information

Hey fellow pool members!!

Well, we didn't make the Memorial Day Opening this year. The Governor and County Executive are being very cautious and for that I am glad. I don't want anyone getting sick when they don't need to because we rushed.

I want to assure you all that OMSC will be fair to all of our members and will keep you all informed as to what is going on with our Pool.

American Pool Company has been in and they are cleaning and making it ready for opening day. They have a plan for getting it inspected and for having life guards ready for when we get the "all clear" to open. Randal, Mary and I have been to the pool several times in the last two weeks (social distancing of course). And things are progressing.

For those of you who have paid inactive memberships, we will let you know what the pro-rated amount will be to make your memberships active for the rest of the swim season. For those of you who have paid your full amount, we will send you a refund once we know when we can open. Right now we are looking at July 1st. I have a great feeling about this and so does American Pools.

Speaking of American Pools, they are looking for life guards. I know that, unfortunately, the Swim Team had to cancel their season because the league decided it was safer to cancel. So if any of you would **like to work for American Pools this summer**, they are hiring and they are training. You can go to GuardForLife.com and get the information there. (**Just click on link.**)

If any of the above changes, we will let you know but I am pretty sure that this is what will be happening. We will have a summer and it will be fun and we may even throw a great big party when we can all be together again.

Chris Szverra

Village of Olde Mill Community Association Meeting

Date: May 6, 2020

Location: Conducted over Discord

The meeting was called to order by Chris Szverra at 7:15. 14 total members were present for discussion + 1 Guest.

Old Business:

1. VOMCA Treasures Report:
 - a. Checking \$1839.35
 - b. Savings \$1590.83
2. Swim Club Treasures Report:
 - a. 138 total members; 38 Active, 100 Inactive
 - b. Checking \$23456.64
 - c. Savings \$6221.78
3. VOMCA Membership Report:
 - a. 69 members as of April 1.
4. Minutes: Discussion, Review and Acceptance: Approved unanimously.
5. VOMCA website: Looking Awesome
 - a. The existing email address (board@vomca.org) is still active.
 - b. When G Suite is transitioned to the new web server, we should have access to a Google Drive and Google Meet for association use.

New Business:

1. Visitor: Laila Jones, Community Engagement Officer from the County Executive's Office. Laila gave us an update on the situation around the county regarding the current crisis. She also passed along the county's mental/emotional health support (WARM) line number:
 - a. Health Dept. Warm Line: 410-222-7256
2. FOOM Business:
 - a. Barlowe Field has been taped off in accordance with the county directive. Signs are posted throughout the park directing compliance, but we (FOOM/VOMCA) are not responsible and do not have the authority to enforce the closure.
 - b. Mulch has been obtained through the OMSC mulch sale to clean-up and update the garden areas. No group activities are authorized yet, but if anyone wants to go out on their own and do small clean-up projects around the park, you are strongly encouraged.
 - c. We currently don't need additional plants for the garden areas. When we extend the memorial garden, the existing plants will be spread out a bit more and FOOM will potentially sell off any excess plants for use around the community.
3. NCEON Support: Chris Szverra has offered to be a central collection point for food/money donations to support NCEON. Donations may also be dropped off yourself, but to avoid additional traffic it would be preferred to drop your donations at Chris's house and arrange a single pick-up. Meeting closed at 8:57 by Chris Szverra. Next meeting scheduled for June 3rd and will tentatively be held through Discord.

Respectfully submitted by Josiah John, VOMCA Secretary

DIRECTIONS FOR DISCORD CHAT CHANNEL FOR VOMCA MEETINGS

Join the VOMCA/FOOM Discord Server! Check out the VOMCA?FOOM community on Discord-hang out with 13 other members/non-members and enjoy free voice and text chat!

For use in future meetings, I have created a Discord chat channel for VOMCA use. FOOM should be able to use it as well for their meetings if they want (and I can create separate sections within it for FOOM and VOMCA if needed).

In order to use it, you will need to set up an account. It just requires an email address.

You will be able to use Discord either through the website or through downloadable programs (both on your computer as well as apps for your smartphones/tablets).

I will be working on a "user guide" for it over the next week, but wanted to put this information out to get us started.

Once people start setting themselves up, I can specifically assign permissions to members of the board, etc, as needed. These will allow those members to mute the group, etc, as needed to make discussion easier.

Once you have Discord set-up (either using the website or one of the programs), there is a circle with a plus sign on the left side of it where you will add the new chat to your list. Here is the information for that. Join the VOMCA/FOOM Discord Server! . I can help guide you through that process as well when you get to that point. Feel free to text me if you get stuck.

Josiah John

VOMCA Secretary

A MESSAGE FROM Randal Stites, President, FRIENDS OF OLDE MILL

FOOM has been working behind the scenes to make sure that Barlowe Field is taken care of and that we are adhering as best we can to the governments guidance on closings and openings.

Currently the Barlowe Field Playground, Ballfields, and Basketball court are closed. New yellow ribbons will be going up where the "wind" tore them up. We are hopeful that we can take them down and open all aspects of the park very soon. The leader of the adult softball league is currently trying to get a short season and some tournament play set up for the second half of the summer and we have not given up on fall youth soccer.

While it is closed and we are all social distancing, there are still some things we could use your help with. We do not want to invite a large group to the park for a day of clean up, gardening, and maintenance but I would be happy to meet with 1 or 2 or a small group (less than 10 of course) to show what could be done and leave it to you to chose when to come and help out.

Our Gardens are full, too full! I would love a volunteer to thin them out, remove the weeds, relocate some of the plants, and trim the edges. I have a delivery of dirt out by the basketball court (its just a little one, not like before) and we could use some help moving it into the garden we are creating next to the new walking path, first dirt, then some mulch and plants.

Contact me if you might be interested in any of that! It is a nice way to get out, get some exercise, and accomplish something nice for the park all while staying safe. We are hoping that both the park and the pool will get the go ahead to open up in the next month, and I for one plan to have a party over there, anyone want to join me? Are there any good rock bands in the community that would donate a couple hours?

Randal R. Stites

O

**NORTH COUNTY EMERGENCY
OUTREACH NETWORK
NEEDS YOUR DONATIONS....PLEASE HELP!**

Our neighbors are in need, many of them for the first time in their lives. They have been hit with unexpected layoffs and long and frustrating waits for unemployment benefits. They have families and they are facing these things when they were already living on the edge of just making it.

I have always felt a need to feed people. Maybe it's because my mother and father were older when they had me and they both lived through the depression. My mom was the Class of 31 and their prospects were not good. My mother taught me to never let anyone leave my table hungry and if any of you have ever been to anything I have ever had, you know that I listened to my mother. LOL

I taught my Girl Scouts that one person can make a difference. One person can make a change. And I believe that.

So I got a letter from NCEON and they said they are in desperate need of food. They get all their donations from churches, civic organizations and scouting groups. None of them are meeting right now so that supply of food has been slowed to a trickle. And the number of people that they are servicing has increased.

What to do? At our VOMCA meeting I suggested we hold a food drive. No contact. Just let people know that we had a drop off point and that they could leave donations there and I would take them to the pantry. Little did I know how generous you would all be. I am thrilled. NCEON is thrilled. And all those people that you are helping are thrilled.

This is on-going. The box is on my porch at **8263 Mimico North**. We all check it several times a day and bring in the food left and box it up and take photos so you can see what you all have done. Once a week, usually Wednesday, I go on my lunch hour and drop it off. They are in need of cereal, peanut butter and jelly, canned fruits and vegetables, canned meats like tuna, spam, beef stew, spaghetti O's, pancake mix and syrup, pasta, and sauces, soups, canned milk, boxed milk, juice boxes, etc. And they take donations of cash and **checks made out to NCEON**. So if you'd like to participate, just swing by my house and drop off what you can.

See! Just one person, **you**, makes a difference.

May 21, 2020

Dear Community Representative:

Your community's assigned fog night is **Wednesday**.

Fogging cannot commence until your community has been notified. It is your responsibility to notify your community.

Included, please find the following documents:

- A sheet with the information that is to be shared with the community
- The exemption policy and form
- A letter regarding your community's fog night and our standard operating procedures
- A Notice Regarding Changes due to COVID-19
- The Community Notification Verification Form

Monitoring the adult mosquito population before treatment is required, and treatment will only be carried out if an MDA employee has determined the need for it. Minimum thresholds which must be met for treatment to occur are as follows (any one of these is sufficient):

- Landing rate count of 3 mosquitoes attempting to bite in 2 minutes, OR
- 12 female mosquitoes collected overnight in an un-baited light trap, OR
- 24 female mosquitoes collected overnight in a baited light trap

IMPORTANT: Your community will not be fogged until residents have been notified and we have received the **Community Notification Verification Form**. Please return forms by June 3 to ensure that we are able to process them before the start of spraying.

STANDARD MOSQUITO CONTROL OPERATING PROCEDURES - 2020
OPERATING PROCEDURES FOR FOGGING OF ADULTICIDES (Treatment for adult mosquitoes):

- **Regular Surveillance and Control of Adult Mosquitoes: June 3 - October 6**

Sunday-Thursday (A night of the week will be assigned to your community)
 Anytime between 7:00p.m. - 2:30 a.m.

- Fogging for adult mosquitoes will be **done only if a Maryland Department of Agriculture Employee determines it is necessary.**

- Fogging will not be conducted during rain, in wind speeds exceeding 12 MPH or below 1 MPH, or temperatures above 89 degrees.

- **Thresholds for Ground Based ULV Treatments:**

- Landing Counts: 3 mosquitoes in a 2 minute count
- Light Trap Collections: 12 female mosquitoes in an unbaited light trap
- Light Trap Collections: 24 female mosquitoes in a baited light trap

- Conditions that threaten public health, such as mosquito borne disease

- **Adulticide** Formulation and application rate

<u>Permanone 30-30:</u>	Liquid
Permethrin mixed with Piperonyl Butoxide	0.0031 lbs/acre (Ultra Low Volume application) and Mineral Oil

OPERATING PROCEDURES FOR USE OF LARVICIDES (Treatment for mosquito larvae):

- **County-wide Surveillance and Control of Larval Mosquitoes: April - October**

Monday - Friday, 8:30 AM - 4:00 PM

- LARVICIDES TO BE USED (This list is subject to additions or other revisions):

Larvicide	Formulations
<u>Bacterial Larvicides:</u>	
VectoBac and Aquabac:	
<i>Bacillus thuringiensis var. israelensis</i>	Liquid, Granular
Spheratax:	
<i>Bacillus sphaericus</i>	Granular
<u>Insect growth regulator:</u>	
Altosid (Methoprene)	Liquid, Briquet, or Pellets

- The **Mosquito Control Program does not spray for Midges** that swarm on homes, boats, trees and shrubs along many Anne Arundel County creeks and rivers. These non-biting insects develop in mud bottoms of slow moving waterways of low dissolved oxygen and will decline in numbers within a few weeks after they first appear.

PLEASE SHARE THIS INFORMATION WITH YOUR COMMUNITY

- Due to COVID-19, State of Maryland agencies are under a hiring freeze. We therefore have a very limited field staff. We are able to perform very limited laticiding activities. In June we will begin our population and disease monitoring program. Unless the hiring freeze is lifted, ULV fogging for adult mosquitoes will be limited to disease case response and exceptionally high population density of adults, to be determined on a case by case basis.
- Your Community's assigned fog night is: **Wednesday**
 - Your community will only ever be fogged on Wednesday nights during the 2020 season, except possibly in case of disease response
- Fogging can occur anytime between 7:00 PM and 2:30 AM
 - The fog program will begin on June 3.
 - Fogging will not begin until the community has been notified and we have received the Community Notification Verification Form
 - October 6 is the estimated last day of fogging for 2020
- Residents who do not wish their property to be fogged may file an exemption. The exemption policy and form can be found on our website: <https://mda.maryland.gov/plants-pests/Documents/Exemption%202018.pdf>
- Please stay indoors while fogging operations are being conducted

MARYLAND DEPARTMENT OF AGRICULTURE – MOSQUITO CONTROL SECTION

MOSQUITO CONTROL POLICY STATEMENT

OBJECTION TO ADULT MOSQUITO CONTROL

The policy of the Maryland Department of Agriculture regarding an objection to adult mosquito control by truck-mounted ultra low volume (ULV) application of insecticides is as follows:

- ! An individual may have his/her owned or leased real property and a surrounding buffer up to 300 feet on all sides of the property excluded from ground based ULV adult mosquito control.
- ! Each individual requesting this exclusion must submit the request in writing to the Maryland Department of Agriculture and provide copies to the appropriate community association or city/town. The request must provide the address of the property to be excluded and must be signed by the owner(s) or leasee(s). This request will be acknowledged in writing by the Department.
- ! If the number of individual objectors and the location of excluded properties precludes an effective mosquito control adulticide service in a community, the service in that community will be suspended. Service may be reinstated upon the written request of the community and approval by the Department.
- ! A city/town or community association may request the Department to rescind or modify a spray exclusion zone if the local authority believes the exemption unfairly impacts other residents who desire adult mosquito control service. Requests to rescind or modify spray exclusion requests must be made in writing and delivered to the Secretary of Agriculture.
- ! The Department periodically will verify the continued occupancy/ownership by objectors of properties excluded from ULV ground spraying to determine if the objection continues.
- ! In the event of mosquito-borne disease or conditions that threaten public health, the suspension of mosquito adulticide service in an area due to objectors will be discontinued and the full range of mosquito control procedures available will be utilized.

PUBLIC INFORMATION NOTICE:

Your request for exemption from adult mosquito control services by the Maryland Department of Agriculture **WILL NOT** be processed unless **ALL** of the information requested has been supplied. You have a right to inspect, amend, or correct this information. Under State Government Article, 10-817, Annotated Code of Maryland, this information may be generally available for public inspection. This information is not routinely shared with state, federal, or local government agencies.

Individuals should direct correspondence regarding this issue to:

Maryland Department of Agriculture
Mosquito Control Section
50 Harry S. Truman Pkwy
Annapolis, MD 21401

REQUEST FOR EXEMPTION FROM ADULT MOSQUITO CONTROL SERVICES

This application must be completed by the individual residing within a community participating in the Mosquito Control Program who wishes to have his/her property excluded from adult mosquito control pesticide applications by truck-mounted ultra low volume (ULV) sprayers. The attached statement entitled "Objection to Adult Mosquito Control" explains the Maryland Department of Agriculture's policy on individual objectors. Please retain it for your files.

Please complete all information below. Please read the "Public Information Notice" on the attached policy statement. **Exemptions will not be accepted unless all of the information requested has been supplied. Failure to respond to contact from MDA will result in the voiding of your exception. It is your responsibility to notify MDA should your contact information change.** Thank you for your cooperation in this matter.

Please print or type:

Notice Regarding COVID-19

Due to COVID-19 there is currently a hiring freeze for state of Maryland government agencies. This unfortunately means we are not able to hire the seasonal contractual employees on which our program heavily relies. Until MDA is given notice that we can resume hiring, Nighttime ULV fogging will be limited to disease response and particularly severe nuisance problems. If permission is not granted to hire seasonal employees by May 27, nuisance problems will be evaluated on a case by case basis to determine if ULV fogging will be performed.
