President's Message

President's Message:

Welcome Spring!! If you haven't been by Barlowe Field recently, please stop by. Our new little trees have buds on them, the children are playing on the playground and the basketball courts are in full swing. It's exciting to see everyone out and about enjoying the warmer weather and the beautiful park.

We have several activities coming up. It's time for the Easter Bunny to come out and welcome spring with all the children in Olde Mill. She'll be at the park on April 9th starting at 1pm. We will have the egg hunt, games, a raffle, and lots of candy. If you're interested there will be hot dogs, drinks and chips for sale.

On April 2 FOOM is sponsoring a Prom Dress give away. Please look at the flyer for all the information and to see how to make an appointment for these beautiful, free dresses, shoes, and jewelry.

It's not too early to think about spring cleaning. FOOM is holding their annual Flea Market on May 21st. Slots are \$10.00 for one, \$18.00 for two and \$25.00 for three. They are a parking space wide and you need to bring your own table. FOOM will be selling breakfast and lunch and there are bathrooms close and available.

There is another community day planned for May 14th. We have a lot of spring activities to take care of in the park and we are progressing with the playground installation. So, plan on being there and lending a hand.

And it's not too early to look forward to the OMSC opening on Memorial Day, May 28th. I can hardly wait. Not a member? No problem. Go to vomca.org and click on OMSC. Everything you need to join is right there. Or you can stop by and get a packet from the pool gate. It's a great pool, with lots of activities and this year the snack shack is adding hot dogs to the menu.

The weather is getting better. Mother Nature is coming alive. And our community is a great place to live, work and play for you and your family. See you at the park.

Chris Szverra,

President of VOMCA

VOMCA Meeting Minutes

Date: March 2, 2022

Place: Old Mill High School Cafeteria

Time: 7:05 PM

Special Guest:

Karen McJunkin – Elm Street Development: 4-story apartment building proposed on Granary Ct (off Old Mill Road). Property currently zone R-15; recently adopted development plan calls for it to re-zoned R-22. Rezoning would allow additional 84 units on existing property. Proposed location is not visible from Old Mill Road. No buildings would be torn down in the process; this would be an additional building in the existing apartment complex. Would still need to meet other zoning requirements (public schools, utilities, etc.) prior to construction. All units would meet handicap access requirements; a few would be fully accessible. Landscaping will be primarily native plants. The existing pool would be removed and a new pool installed in its location along with improved recreational (picnic tables, barbecue areas, club house) built on the property.

Several concerns (increased traffic issues, housing availability for seniors, removal of existing recreational facilities where the building will be constructed) were brought up and addressed.

First hearing on the application is Thursday, March 10th.

Old Business:

1. VOMCA Treasurer's Report:
 - a. Checking: \$3,078.06
 - b. Savings: \$1,591.99
 - c. LOC: Proceeding on schedule.
2. VOMCA Membership update: 82 members as of 3/2/2022.
3. OMSC Treasurer's Report:
 - a. Savings: \$523.66
 - b. Checking: \$4,873.22
4. OMSC Membership update:
 - a. Total: 37
 - b. Active: 18
 - c. Inactive: 19
5. Minutes from February: Reviewed and approved as submitted.
6. Update Barlowe Bolt:
 - a. 54 registered participants as of today.
7. Easter Egg Hunt: We need volunteers to assist on the day of the event. We also will need candy to give out at the event. We will not be filling eggs; everyone will be getting a small bag of candy and we will have special prizes for "golden" eggs. We will also have several items to be raffled off during the event.

New Business:

1. Pool Challenges: We have several leaks due to the cold winter. We are currently working on repairing the problems; until it is fixed, the water has been shut off to the pool property.
2. Community Day: March 5th; AACPD police are also coming to assist with the efforts. We have several projects around the park to accomplish.
3. Fundraiser – The Next Level:
 - a. Discount cards:
 - b. Ledo's
 - c. A-1 Pizza/Subs
 - d. Brian Boru
4. Advertisers for Real:
5. Connection to the Community – Newsletter: We'd like to get updates from various organizations (schools, etc) to include in the Crier. If anyone knows of any upcoming events, please let us know so we can include them in future Criers.
6. Community Concerns Update:
 - a. Community of "Thugs with Guns": Small issues blown out of proportion within our neighborhood on social media.
 - b. "On The Rocks": New location next to A-1 Pizza. No update on what business will be taking the vacant location in the 7-11 shopping center.
 - c. Elm Street Development: See remarks from Guest Speaker at start of minutes.
 - d. Speed Bumps: Question was brought up about adding speed bumps along Old Mill Road. Don't see this being feasible, but there is another traffic survey being conducted soon.
7. FOOM Update:
8. Kickball game for AACPD. Game will be police vs. police. Date TBD, but they have requested use of Barlowe Field for the game.

Meeting adjourned at 8:50pm.

It is official, spring has arrived!

I would like to thank everyone who came out to the Community Day on March 5th to clean up and beautify Barlowe Field. We had an ambitious list, and I am pleased to say we could get a large portion of it completed. Some of the items that did not get completed are still on our list, and we will be out over the next several weeks to continue the progress. If you would like to contribute an hour or two on a Saturday morning, please just give me a shout.

April will be all about getting the new equipment installed at the Barlowe Field Playground.

The recent fundraisers have given us the funds we need, and now it is all up to the volunteers. We will be publishing the schedule of the installation. The process will involve marking where the holes are needed for the posts, then we will bore them out with some power equipment. Once that is done, we need a large team to move and assemble the parts on the installation site and mix just a little (a lot) of concrete. We are creating a volunteer list for each of those tasks so let us know if you want to sign up.

I would like to thank everyone who participated in the event, runners, walkers, and volunteers. We also had an excellent turnout for our Barlowe Bolt fundraiser; with almost 100 participants, we feel like we are building it back up after the covid interruption. Watch for the very nice-looking grey, orange, and black Barlowe Bolt shirts being worn and ask them about it. I have worked on this event for several years now, and I confess I had never run or walked it (other than to mark the course pre-race), but my grandson talked me into going with him. He finished way before I did.

Our next FOOM event is our Flea Market on May 21st from 8am to noon in our parking lot at 490 Chalet Drive. The success of this fundraiser depends on 2 things, people setting up and selling their treasures and lots of treasure hunters looking for a deal on some unique item.

Please join us as a seller or buyer, but regardless of your role, come on over for something to eat. We will be doing our breakfast sandwiches again this year and our traditional hamburgers and hotdogs. Who knew that so many people would want to mix the two and get a burger with an egg on it!

This is a great community; the more we work together and play together, the greater it gets.

Randal R Stites

President of Friends of Olde Mill (FOOM)

rstites@polingerco.com

Community Announcements:

Eagle Scout Project

On **Saturday, April 9th, at 9 am**, a memorial garden will be planted in the area pictured, between Barlowe Field and the basketball court. This is an Eagle Scout project for Robert Martinazzi, a Boy Scout from Troop 975. If you would like to assist with the project or donate plants for the garden, please contact : Robert Martinazzi at robbie@martinazzi.net

Ruth Parker Eason School

Ruth Parker Eason School is hosting a Community Yard Sale on Saturday, April 23 from 8:00 am to 12:00 pm.

Spaces are available for people to come and sell household and miscellaneous items. The spaces are \$10 each and come with one table. For Direct Sales Vendors, spaces are available for \$20 each.

The last day to reserve a table is April 19th.

For more information, call [410-222-3815](tel:410-222-3815) or email: amrichards@gmail.com

Mosquito Control Section

Season 2022

Dear Community Association Officer or Representative:

Your community has requested to participate in the adult mosquito surveillance and control program offered by the Maryland Department of Agriculture, Mosquito Control Section. This letter contains the enrollment form and important program information for the season. If you are no longer the representative for your community, please forward this to the appropriated individual or contact us immediately.

Routes will be filled on a first come, first serve basis. Forms received once the route in that community's area is full or after the deadline will be retained and your community will have the opportunity to apply to participate in our program the following year.

Please be advised that this application is for adult mosquito control service only, an application is not necessary for larval control, inspections and complaint investigations.

Program information can be found on the enclosed sheet entitled **Standard Mosquito Control Operating Procedures**. More specific information including an assigned spray night of the week will be forwarded after applications have been returned. **It is the responsibility of the city/town or community association** to make available to all residents information regarding mosquito control activities, policies and spray schedules. A record of the method of notification must be maintained for a year and made available immediately upon request by the Department. In order to keep our records up to date, please include a new map if there are any changes to your community's requested spray areas. See the attached directions for details on how to create an effective map.

Residents who wish their properties to be excluded from adult mosquito control services must notify the Maryland Department of Agriculture and the community association by submitting a completed exemption form. The Departments policy on objection to adult mosquito control services and the exemption form are enclosed and are available on our website at:

mda.maryland.gov/plants-pests/Documents/NewExemption%202016-1.pdf

Please note that ULV spray treatment of adult tiger mosquitoes is most effective when conducted in conjunction with community cleanup efforts. The effective way to control mosquitoes in your neighborhood is at the community level. We encourage home owners and communities to be proactive in their efforts to control mosquitoes by becoming aware of backyard breeding sites.

Due to the number of participating communities, e-mail is the suggested method of contact; however e-mail access is not required. If you have any further questions or concerns, or would like us to meet with you and your community members, please feel free to call or e-mail me. For additional information on mosquitoes, mosquito-borne diseases, insecticides, and tips to reduce mosquito breeding areas in your yard please visit our website; http://mda.maryland.gov/plants-pests/Pages/mosquito_control.aspx

I look forward to working with you and the members of your community association this season.

Sincerely,
Sarah J. Zastrow

STANDARD MOSQUITO CONTROL OPERATING PROCEDURES – 2022

OPERATING PROCEDURES FOR SPRAYING OF ADULTICIDES (Treatment for adult mosquitoes):

- **Regular Surveillance and Control of Adult Mosquitoes: May 25 – October 4 2022**
Sunday-Thursday (A night of the week will be assigned to your community)
Anytime between 7:00p.m. - 2:30 a.m.
- Spraying for adult mosquitoes will be done only if a Maryland Department of Agriculture Employee determines it is necessary.
 - Spraying will not be conducted during rain, in wind speeds exceeding 12 MPH, or temperatures above 89°F.
 - **Thresholds for Ground Based ULV Treatments:**
 - Landing Counts: 3 mosquitoes in a 2 minute count
 - Light Trap Collections: 12 female mosquitoes in an unbaited light trap
24 female mosquitoes in a baited light trap
 - Conditions that threaten public health, such as mosquito borne disease
- | Adulticide | Formulation and application rate |
|---|--|
| <u>Permanone 30-30:</u>
Permethrin mixed with Piperonyl Butoxide and Mineral Oil | Liquid
0.0031 lbs/acre (Ultra Low Volume application) |

OPERATING PROCEDURES FOR USE OF LARVICIDES (Treatment for mosquito larvae):

- **County-wide Surveillance and Control of Larval Mosquitoes: April - October**
Monday – Friday, 8:30 AM -4:00 PM
- **LARVICIDES TO BE USED (This list is subject to additions or other revisions):**

Larvicide	Formulations
<u>Bacterial Larvicides:</u>	
VectoBac and Aquabac: <i>Bacillus thuringiensis var. israelensis</i>	Liquid, Granular
Spheratax: <i>Bacillus sphaericus</i>	Granular
<u>Insect growth regulator:</u>	
Altosid (Methoprene)	Liquid, Briquet, or Pellets

- The Mosquito Control Program does not spray for Midge that swarm on homes, boats, trees and shrubs along many Anne Arundel County creeks and rivers. These non-biting insects develop in mud bottoms of slow moving water ways of low dissolved oxygen and will decline in numbers within a few weeks after they first appear.

COMMUNITY APPLICATION FOR ADULT MOSQUITO CONTROL
Located in Anne Arundel County - Seasons 2022

The community of _____, located in Anne Arundel County, applies to be included in the cooperative mosquito control program for the 2022 seasons. **The undersigned community representative agrees to contact all community members, notifying them of the community's participation in the mosquito control program, The Standard Mosquito Control Operating Procedures, The Policy on Objection to Adult Mosquito Control Services, and the night of the week they may be sprayed.** The community will provide a copy of the exemption policy and form to those desiring to be excluded from the ULV spray program. The community agrees to allow access by MDA personnel to conduct mosquito control activities¹. The community agrees to assist mosquito control efforts by promoting good land use planning and community clean-ups to reduce areas of stagnant water that provide habitat for larval mosquitoes.

MDA Representative

I have read and understand the Standard Mosquito Control Operating Procedures and the Adult Mosquito Control Objection Policy. I have notified all residents of these policies to the best of my ability. I will maintain a record of the method of notification for one year and make it available immediately upon request by the Department.

Provide a Map:

- I am providing a new map. Please include the roads outlined on the new map of my community in the Maryland Department of Agriculture's Adult Mosquito Control Program.
- No map has been included. Please use the map of my community that has been previously provided to the Maryland Department of Agriculture's Adult Mosquito Control Program.

Please return your application as soon as possible to:

Association
partners with WSA to
plant trees**

Allison Pickard Posted on Facebook:

My Friday morning visit with Robert Pavlik from the [Watershed Stewards Academy of Anne Arundel County](#) in the Village of Olde Mill was the perfect end to a long week.

Randal Stites of [Village of Olde Mill Community](#) coordinated with WSA to plant new trees at Barlowe Field. They engaged two separate programs; Groves of Gratitude and The Tree Trooper program.

Check out these fantastic programs for your property or community with the links below:

<https://aawsa.org/replant-2>

<https://aawsa.org/about-gog>

<https://aawsa.org/tree-trooper>

**Serviceberry
Tree**

Paw Paw Tree

Allison Pickard Posted on Facebook:

[Watershed Stewards Academy of Anne Arundel County](#) and [Village of Olde Mill Community](#) collaborated to bring a "Grove of Gratitude" to Barlowe Field this Winter.

I visited the site this week and had to share what I learned about this edible grove of Paw Paw Trees and Serviceberry trees that are small now but will grow to be a beautiful grove in the coming years. Pretty cool.

Have you ever eaten a Paw Paw? Google it....

The more you know.....

Thank you, VOMCA, for all you do for the community.

Olde Mill Swim Club (OMSC) Needs your support!

Join The Swim Club, Volunteer, or Donate! We Need You!

Did you know that we have a neighborhood Community Pool? When you become a member, there is no need to pay every time you want to swim, like at the Aquatic Center, or pay higher membership fees like the other community pools in the area.

Your membership helps us hire lifeguards for the season, improve the pool area, and host member events (some family and some adult only)!

Our newly renovated (2021) Snack Shack is very popular. During the 2020 season, we revamped the pool's top edge, including new tiles and coping stones, retrofit the pool area lights to LED, and replaced all the pumps! The addition of new shade structures is in our 2022 program.

Are you interested in joining? We accept new members all year! January through April are the primary months for renewing memberships and help us to better budget for any current or upcoming improvements.

Become a member in 4 easy steps:

1. Purchase a Certificate of Membership
2. Pay your Annual Dues
3. Submit a family photograph electronically (email it to omsc.membership@vomca.org)
4. Submit Emergency Contact/Procedure Form

You can fill out the form by downloading a copy at our website: Vomca.org and mailing it to OMSC 490 Chalet Drive, Millersville, MD 21108

Our Swim Season officially starts Memorial Day weekend! Meet your neighbors, sign up for the Torpedo's Swim Team, and help us continue our mission to:

- Sponsor an enjoyable swim team that also instills a sense of accomplishment.
- Provide a facility for exercise, athletics, and socialization.
- Maintain a safe, relaxing, and pleasant environment.
- Offer our members a facility for their private parties.
- Support other community groups through appropriate access to the facility.
- Hold enjoyable special events that reinforce the feeling of belonging and build a sense of friendship and community.

To learn more and find the membership documents, head on over to our website: vomca.org and click on OMSC Membership.

Olde Mill 2022 Event Calendar

WORKS**

Companion Bridge provides support to low income individuals or those who have fallen upon a recent economic hardship and cannot afford a medical crisis with their companion pets. In cases where an animal can be saved, we work directly with the veterinarian, striving to end economic euthanasia.

The **Companion Bridge** community contains on-line resources with links to board certified veterinarians, rehab specialists, vendors and educational information about keeping pets healthy.

Companion Bridge is a not for profit 501(c)3 that is 100% donation funded and 100% volunteer staffed.

Please help our/your community by making a tax-deductible donation to Companion Bridge. Every penny makes a difference in the life of your neighbor and their pet when they are facing a difficult time.
