VOMCA President's Letter

Can you believe it's June already? This year is flying by. The schools will be out on June 13th. Please remember to drive extra carefully and slow down as many more children will walk to the park/pool or go to a friend's house. We want our kids to be safe this summer.

We had some very successful events in May. The car wash to benefit the OMSC was well attended, and people getting their cars washed were very generous. The Flea Market, held by FOOM, was also a success, even though I was ill and Jessica Szverra had to step in, and it threatened to rain the whole time. But it held off, and it was a great event. The pool opened last weekend, and even though the weather was chilly, some brave members came out and swam with us. And the swim team is back and in full swing. If you're looking for a fun activity for your child(ren), the Olde Mill Torpedoes is the place to be. You can check them out at vomca.org and click on OMST for information.

VOMCA Meeting - June 7th at the OMSC. Come on out and see what your community does. We talk about current issues in Olde Mill, discuss events and listen to what you have to say/offer. You get to meet some of your neighbors. And please join your community association. Our dues are only \$25.00 a year, and this covers the taxes on Barlowe Field and all of the wonderful activities in Olde Mill. It also allows you to vote on issues that concern the community. Join us to make a positive impact.

Car Wash #2 - June 17th, 10 am to 2 pm. Besides a free car wash (donations are appreciated), we will sell hot dogs, hamburgers, egg sandwiches, and a bake sale. So come on out, support the OMSC, and get your car washed by enthusiastic volunteers. The first was so much fun and successful that we are doing it again.

OMSC Ice-Cream Social - June 17th, 7 pm to 9 pm. No, that is not a misprint. We are holding two events on the same day. For members of the pool or their guests for that day, it is a free event. If you are not a pool member and would like to participate, you can arrive at 6:45 and pay \$10.00 for two hours of swimming and all the ice cream you can eat. The snack shack will be open if you want to purchase food or drinks, and we will have carnival games to play. So put us on the calendar, drive your clean cars to the OMSC, and have a great time with us.

Annual Dues - if you still need to pay your yearly dues, please consider doing so now. And if you have paid, mention us to your neighbors. We do a lot of great stuff for the community and need your support to continue.

Join OMSC - It's still possible to join the OMSC. If you are new, all the information is on the website at vomca.org. Click on OMSC, and all the info and forms are right there. If you are a member from last year and have yet to pay, either active or inactive, you can do so now. Send your form and money to OMSC, 490 Chalet Dr., Millersville, MD 21108. Remember, if you have a pool bond, to keep it or sell it, you must be a current member, or you lose it.

Please keep checking the calendar. Read your Crier when you get it. And support the activities in your community. And if you have time, print a copy of two of the Crier out and share it with your neighbors. This is a wonderful community to live, work and play in.

President, VOMCA

Raising money for a new playground

Friends of Olde Mill Invite you to Barlowe Field

To All Friends of Olde Mill,

Welcome to summer and June, the pool, and lots of growth at Barlowe Field. I have been trying to finish the mulch laying for a couple of months and have made progress, but I have yet to finish it. I want to highlight a concern; those of us involved in FOOM and VOMCA feel we are seeing steady improvement at the park; we see growing numbers of people out enjoying the facilities or just being outside.

The park is very busy with youth soccer practice, girls' softball practice, the men's Sunday softball games, the playground is filled with the sights and sounds of kids having fun, the basketball court is busier than ever, oh yes, and the pool is now open! Whew, that is a lot, and it is all wonderful.

However, we could use your help. The physical work, paperwork, ideas, and energy of our group of volunteers drive all of this, and it is a limited amount. I want to ask you to consider helping for 1 to 2 hours a month; it can be general, such as picking up trash, or more specific, like caring for a specific garden or replacing a board or two at the playground.

It would really mean a lot, and I am happy to give specifics, guidance, and help. Don't hesitate to contact me at rstites@polingerco.com to talk about it and add your name to our growing list of volunteers.

And since I am a glutton for punishment, I would also like to hear your compliments, complaints, ideas, and recommendations. We do our best, but we appreciate input to help us do better.

If you have walked near the basketball court recently, you may have seen some things that made you turn your head.

A large pile of course mulch was donated to us for free but was way more than we could utilize; it is free and available. You can have a little or a lot; it would be appreciated if you give us a heads-up that you want some so we can keep a handle on things.

A large pile of dirt and an ugly drainage ditch – we had some equipment available while the water main was being repaired, and we did our best to use it to recreate the drainage ditch that is supposed to run along the side of the basketball court, we got a lot of it done, but the detail work is still unfinished. We need to rake a lot, shovel a little and smooth out the ditch so it flows toward the parking lot. Then we will seed it.

Large bald spot on the grass next to the parking lot – this is where the water main repair occurred, and we need to do a little clean up, move away rocks and clay chunks, add a little dirt to the low spots, stir it all up and add grass seed.

It is essential to prioritize the maintenance of Barlowe Field, which relies heavily on community support. With the closure of Southgate Park and the construction of a new school, this responsibility has become increasingly challenging. Let us work together to ensure the upkeep of this valuable community space.

VOMCA / FOOM Meeting Agenda

Date: May 5, 2023

Place: Old Mill High School

Time: 7 PM

VOMCA BUSINESS:

1. VOMCA Treasurer's Report:
 - a. Checking: \$2,111.85
 - b. Savings: \$592.28
2. VOMCA Membership Report: 75 Members as of 5/3/2023
3. OMSC Treasurer's Report:
 - a. Checking: \$16,898.76
 - b. Savings: \$515.75
4. OMSC Membership Report 2023:
 - a. Active: 67
 - b. Inactive: 39
 - c. Total: 106
5. Minutes from April Meeting were reviewed and approved by all members present.
6. Update from Gartermill meeting: Meeting included representatives from DPW, Planning and Zoning, the county Board of Education, and Allison Pickard as well as representatives from the construction contractors. There were a lot of complaints from community members that they did not receive notice that the school was being built at Southgate Park. Concerns were addressed about Old Mill Road (at Oakwood) being opened up for bus traffic to the school. There will be an update meeting in June regarding the road situation.
7. Car Wash Fundraiser Update: We raised \$618 at the car wash through donations and food sales. We plan to hold another car wash in June, date TBD.
8. Easter Egg Hunt Update: Event was a success. All candy was given out. We are planning changes for the following year. We will add craft activities next year followed by the egg hunt.
9. Swim Team Work Day 5/13/2023: We will be working on getting the pool ready to go for the upcoming season. Work includes power washing the chairs and deck and cleaning out the pool restrooms. We also need to clean out the pool filters for this season.
10. Vending Machine: We have limited information regarding this opportunity, but so far the consensus is that we are going to decline it.

FOOM BUSINESS:

1. Financial Report:
 - a. Checking: Approximately \$3,500.
2. Community Work Day 5/13/2023: We will be doing multiple projects around the park.
3. Snack Shack/Storage Area Work Day: We need to organize the storage area and attic space. Date TBD.
4. Spring Flea Market 5/20/2023: We've sold 16 spaces as of 5/3/2023. We will need help with set-up and clean-up.
5. Playground Update: We added more mulch to the playground area under the swing area. We will be adding more mulch at a later date around the slides.
6. Basketball Court: The basketball court needs to be resurfaced and the cracks sealed. We are looking at proposals to have the basketball court surface expanded and new backboards/poles added.

Meeting adjourned at 8:58

CENTER OF APPLIED TECHNOLOGY – NORTH BAKING & PASTRY PROGRAM NAMED NATIONAL MODEL OF EXCELLENCE

A group of students in Anne Arundel County will head to Atlanta thanks to their culinary excellence. SkillsUSA named the Center of Applied Technology - North: Baking and Pastry Program as a model of excellence for 2023

SkillsUSA has named the CAT North Baking & Pastry program as a Models of Excellence for 2023. The program is one of 24 from across the nation to achieve the prestigious honor.

The Models of Excellence program recognizes the exceptional integration of personal, workplace, and technical skills into classroom activities. This is the highest honor bestowed by SkillsUSA, which is among the largest student organizations for career and technical education.

“It is an honor to earn this award for our Baking & Pastry program because every day our class works hard to reach our goals both inside and outside of the kitchen,” said junior Damien Dockery, who also attends Meade High School.

Junior Nia Howell, who also attends Glen Burnie High School, said: “Our class earning the SkillsUSA Models of Excellence award is a good boost to our program because it showcases our ability to work well as a team.”

The Models of Excellence program evaluates student-led projects and activities showcasing in-demand career skills. The Baking and Pastry program was awarded this honor for planning, organizing, and management skills related to the production of baked goods for events throughout the area.

The CAT-North Baking program, along with the other 23 winners, will be evaluated for top honors at the SkillsUSA National Leadership & Skills Conference held in Atlanta, Ga., in June.

The Community Police Academy provides Anne Arundel County residents, 21 years of age and older, an opportunity to learn about laws, police procedures, forensics, crime scene collections, resource management and more. Participants are provided an opportunity to demonstrate what they have learned through some hands-on practical applications. You'll learn self-defense, arrest techniques, vehicle maneuvers, as well as learn about many other areas of the Police Department. You will also learn about how to improve the quality of life in your community by partnering with the police department.

Fees

Students have no cost for participating in this program, but they will graduate with a wealth of knowledge and experience.

The goal of the Anne Arundel County Police Community Police Academy is to build bridges between the communities we serve and their police department. We do this by offering an opportunity to gain a better understanding of the department and to develop a relationship with the community members through education and training. Chief Amal Awad and members of the Anne Arundel County Police Department believe the best way to protect yourself is through knowledge.

Community members are invited to come to various Anne Arundel County Police Department facilities to learn first-hand what a police officer does and why they do those things. The Community Police Academy allows community members to learn what resources are available to them through the Police Department. It also allows the communities to bond with the department and form a "partnership." The Community Police Academy is 11 weeks (sessions) long. The sessions are held once a week for 3 hours on Thursdays during the course at various locations throughout the county.

Olde Mill Swim Club (OMSC) Needs your support!

Join The Swim Club, Volunteer, or Donate! We Need You!

Did you know that we have a neighborhood Community Pool? When you become a member, there is no need to pay every time you want to swim, like at the Aquatic Center, or pay higher membership fees like the other community pools in the area.

Your membership helps us hire lifeguards for the season, improve the pool area, and host member events (some family and some adult only)!

Our newly renovated (2021) Snack Shack is very popular. During the 2020 season, we revamped the pool's top edge, including new tiles and coping stones, retrofit the pool area lights to LED, and replaced all the pumps! The addition of new shade structures in 2022.

Are you interested in joining? We accept new members all year! January through April are the primary months for renewing memberships and help us to better budget for any current or upcoming improvements.

Become a member in 4 easy steps:

1. Purchase a Certificate of Membership
2. Pay your Annual Dues
3. Submit a family photograph electronically (email it to omsc.membership@vomca.org)
4. Submit Emergency Contact/Procedure Form

You can fill out the form by downloading a copy at our website: Vomca.org and mailing it to OMSC 490 Chalet Drive, Millersville, MD 21108

Our Swim Season officially starts Memorial Day weekend! Meet your neighbors, sign up for the Torpedo's Swim Team, and help us continue our mission to:

- Sponsor an enjoyable swim team that also instills a sense of accomplishment.
- Provide a facility for exercise, athletics, and socialization.
- Maintain a safe, relaxing, and pleasant environment.
- Offer our members a facility for their private parties.
- Support other community groups through appropriate access to the facility.
- Hold enjoyable special events that reinforce the feeling of belonging and build a sense of friendship and community.

To learn more and find the membership documents, head on over to our website: vomca.org and click on OMSC Membership.

Companion Bridge provides support to low income individuals or those who have fallen upon a recent economic hardship and cannot afford a medical crisis with their companion pets. In cases where an animal can be saved, we work directly with the veterinarian, striving to end economic euthanasia.

The **Companion Bridge** community contains on-line resources with links to board certified veterinarians, rehab specialists, vendors and educational information about keeping pets healthy.

Companion Bridge is a not for profit 501(c)3 that is 100% donation funded and 100% volunteer staffed.

Please help our/your community by making a tax-deductible donation to Companion Bridge. Every penny makes a difference in the life of your neighbor and their pet when they are facing a difficult time.
