## **President's Message**

**Spring is in the air, Olde Mill!** I always get excited this time of year. We have so much coming up and our fields will start to be filled with soccer and softball. We are working on opening the pool, which means lots of fun in the sun. I know it's early but I just have that touch of spring fever. So, let's all take a look at what we have in store for the community.

**VOMCA/FOOM Meeting – March 6th, from 7 – 9 pm at Hardees:** We are working on finalizing the paperwork to begin using the school again. But for now, come on out and see what your community association is up to. Learn about our goals and challenges and how you can help the place where you live.

**VOMCA Dues:** It's time to pay your 2024 dues to belong to VOMCA. We've increased them to \$30.00 this year to help us cover the cost of the taxes on Barlowe field, as well as to help cover all the activities that we put on for the families of Olde Mill and the donations we give during the year. So now is a great time to send your dues in. You can mail them to 490 Chalet Dr. Millersville Md 21108 or you can go to vomca.org and click on the join link and pay through PayPal.

**Annual Mulch Sale:** Once again OMSC will be selling mulch to the community and surrounding areas. The sale starts January 1<sup>st</sup> and runs till March 9<sup>th</sup> The mulch will be delivered, free of charge, on Saturday March 16<sup>th</sup>. The bags are 2 cubic feet and once again they will be available in brown, black and red. So, plan on ordering your spring time needs and help out the OMSC.

**Pool Packets were sent out on January 6<sup>th</sup>:** If you didn't get yours, please let me know. We are gearing up for a wonderful pool season and with all the snow on the ground it's not too early to think of that warm sun beating down on you as you lie next to the beautiful, cooling water. If you'd like to join you can go to vomca.org and click on the OMSC tab or you can call me at 443-852-2098. And if you're interest in the swim team, their information is up at vomca.org under the swim team tab.

**Friends Of Olde Mill:** Please check out their monthly article in the Crier. They are having several fundraisers coming up. These will benefit the playground and park areas. The 12<sup>th</sup> Annual Barlowe Bold is being held on March 23<sup>rd</sup>. And there are several Beautification Days scheduled throughout the year to keep Barlowe Field looking beautiful. Be sure to read FOOM's article every month and watch for their flyers. They can especially use more volunteers to help keep our park and playground beautiful and safe for our families to enjoy.

**Easter Egg Hunt – March 30<sup>th</sup> – 11 to 1:** Our annual Easter Egg Hunt will be held at Barlowe field. There will be tons of eggs to be found, craft activities, raffles, and of course our Easter Bunny. We have a back drop that you can take photos with the Easter Bunny and this year we will be selling food. So come on out and enjoy a beautiful day at the field.

That's all I have for this month. Come to our meetings. Support our efforts. Participate in our activities. That is what makes Olde Mill a great place to live, work and play.

President, VOMCA

## Mensaje del president

¡La primavera está en el aire, Olde Mill! Siempre me emociono en esta época del año. Tenemos mucho por venir y nuestros campos comenzarán a llenarse de fútbol y softbol. Estamos trabajando en la apertura de la piscina, lo que significa mucha diversión bajo el sol. Sé que es temprano, pero tengo ese toque de fiebre primaveral. Entonces, echemos un vistazo a lo que tenemos reservado para la comunidad.

**Reunión VOMCA/FOOM – 6 de marzo, de 7 a 9 pm en Hardees:** Estamos trabajando en la finalización del papeleo para comenzar a usar la escuela nuevamente. Pero por ahora, venga y vea lo que está haciendo su asociación comunitaria. Conoce nuestras metas y desafíos y cómo puedes ayudar al lugar donde vives.

**Cuotas VOMCA:** Es hora de pagar tus cuotas de 2024 para pertenecer a VOMCA. Los hemos aumentado a \$30.00 este año para ayudarnos a cubrir el costo de los impuestos en el campo de Barlowe, así como para ayudar a cubrir todas las actividades que organizamos para las familias de Olde Mill y las donaciones que damos durante el año. Así que ahora es un buen momento para enviar sus cuotas. Puede enviarlos por correo a 490 Chalet Dr. Millersville Md 21108 o puede ir a vomca.org y hacer clic en el enlace para unirse y pagar a través de PayPal.

**Venta anual de mantillo:** Una vez más, OMSC venderá mantillo a la comunidad y las áreas circundantes. La venta comienza el 1 de enero y se extiende hasta el 9 de marzo. El mantillo se entregará, de forma gratuita, el sábado 16 de marzo. Las bolsas son de 2 pies cúbicos y una vez más estarán disponibles en marrón, negro y rojo. Por lo tanto, planea ordenar sus necesidades de primavera y ayude a la OMSC.

**Los paquetes de pool se enviaron el 6 de enero:** Si no recibiste el tuyo, por favor házmelo saber. Nos estamos preparando para una maravillosa temporada de piscinas y, con toda la nieve en el suelo, no es demasiado pronto para pensar en ese cálido sol que te golpea mientras te tumbas junto a la hermosa y refrescante agua. Si desea unirse, puede ir a vomca.org y hacer clic en la pestaña OMSC o puede llamarme al 443-852-2098. Y si está interesado en el equipo de natación, su información está en vomca.org en la pestaña del equipo de natación.

**Amigos de Olde Mill:** Por favor, echa un vistazo a su artículo mensual en el Pregonero. Están organizando varios eventos para recaudar fondos. Esto beneficiará a las áreas de juegos infantiles y parques. La 12ª edición anual de Barlowe Bold se llevará a cabo el 23 de marzo. Y hay varios días de embellecimiento programados durante todo el año para mantener Barlowe Field con un aspecto hermoso. Asegúrese de leer el artículo de FOOM todos los meses y esté atento a sus folletos. Especialmente pueden usar más voluntarios para ayudar a mantener nuestro parque y área de juegos hermosos y seguros para que nuestras familias disfruten.

**Búsqueda de huevos de Pascua - 30 de marzo - 11 a 1:** Nuestra búsqueda anual de huevos de Pascua se llevará a cabo en el campo de Barlowe. Habrá toneladas de huevos, actividades de manualidades, rifas y, por supuesto, nuestro Conejo de Pascua. Tenemos un telón de fondo en el que puedes tomarte fotos con el Conejo de Pascua y este año estaremos vendiendo comida. Así que sal y disfruta de un hermoso día en el campo.

Eso es todo lo que tengo para este mes. Ven a nuestras reuniones. Apoye nuestros esfuerzos. Participa en nuestras actividades. Eso es lo que hace que Olde Mill sea un gran lugar para vivir, trabajar y divertirse.

Raising money for a new playground

I have decided to start spring early!

I know we are supposed to follow the calendar, but I have decided to follow my instincts. I am not waiting for March 19th; there is so much we can do. I am starting it now; as I write this, the sky is clear and blue, and the sun is out. I forgot that it had not reached 60 degrees yet; my spring had started. I have been working for several weeks on the front and back gardens at the park. I am almost ready to apply new mulch in those and other gardens, and for any of you that either want to help or be amused, come out on March 9th (weather permitting) at [specific location] and help us mix up some concrete, we are creating bases for the memorial benches at the park and the more, the merrier, many hands make lite work(?), whatever the sayings are we can use the help and it is a very important step in the process. Concrete pads, mulch, a new tree, a few plants, and benches mounted to the concrete pads for everyone to use.

Did you know that blueberry plants are native to Maryland? It is true. I want to ask each of you to obtain 1 blueberry plant to donate to the park. These plants are sold at many nurseries, including Home Depot, where they typically range from about \$20 to \$60. Once you have your plant, you can drop it off at [specific location] or arrange a pick-up by contacting [specific person]. We will gladly accept any plant donations you have, from freshly purchased to removed from an over crowded garden they can help us beautify our community park.

I always love the smell of fresh mulch, and I will have plenty this year. We are in the middle of our annual mulch sale for the benefit of the Olde Mill Swim Club. You can buy from us and support our efforts. We offer a variety of mulch types, including [specific types], and we will bring them to your driveway. Even if you don't need mulch, you can still support us by buying some bags and donating them to the park's gardens. For the hesitant volunteers out there, once the mulch arrives, we have 60 infant trees that need half a bag, each placed at their base. Chris Szverra is tracking it. Contact her, and we will take care of you.

I love good news, fun stuff but occasionally we must be a little more serious. We have installed several trash cans around the park for normal trash and the use of dog walkers. This costs us money for bags and parts, and it requires volunteers (thanks to Paul and Josiah) to try to keep up when they need to be emptied. We have talked with young people at the park, in all the sports activities, and those who enjoy being there about putting trash into cans, and we have had some good responses in the past. However, some recent things have negated a lot of that. Primarily near the basketball court, the trash on the ground has significantly increased; it is not being put into the cans, and in fact, it appears that someone is throwing their trash and bottles over the fence into the woods.

Additionally, it appears that someone has set up camp in the woods, and people are hanging out on the Old Mill Roadside of the basketball court fence; even a disassembled office chair was found there! So yes, we need your help. If you see any of this occurring, take a picture and share it with us, but if you want to help, when you take your walk, bring a bag and pick up what you can, leave your bag near a can or even in the can, and we will take it from there. It would be wonderful if someone would walk the edges of the wooded section and pull out the debris that has landed there.

Raising money for a new playground

¡He decidido empezar la primavera temprano!

Sé que se supone que debemos seguir el calendario, pero he decidido seguir mis instintos.

No estoy esperando al 19 de marzo; hay mucho que podemos hacer. Lo estoy empezando ahora; Mientras escribo esto, el cielo está despejado y azul, y sale el sol. Olvidé que aún no había llegado a los 60 grados; mi primavera había comenzado. Llevo varias semanas trabajando en los jardines delantero y trasero del parque. Estoy casi listo para aplicar mantillo nuevo en esos y otros jardines, y para cualquiera de ustedes que quiera ayudar o divertirse, venga el 9 de marzo (si el clima lo permite) a [ubicación específica] y ayúdenos a mezclar algo de concreto. Estamos creando bases para los bancos conmemorativos en el parque y cuanto más, mejor, muchas manos hacen que el trabajo sea liviano (?), cualesquiera que sean los dichos, podemos usar la ayuda y es un paso muy importante en el proceso. Plataformas de concreto, mantillo, un árbol nuevo, algunas plantas y bancos montados en las plataformas de concreto para que todos los usen.

¿Sabías que las plantas de arándanos son originarias de Maryland? Es verdad. Quiero pedirles a cada uno de ustedes que obtenga 1 planta de arándano para donar al parque. Estas plantas se venden en muchos viveros, incluido Home Depot, donde normalmente cuestan entre 20 y 60 dólares. Una vez que tenga su planta, puede dejarla en [ubicación específica] o concertar una recogida comunicándose con [persona específica]. Aceptaremos con gusto cualquier donación de plantas que tenga, desde las recién compradas hasta las retiradas de un jardín abarrotado, ya que pueden ayudarnos a embellecer nuestro parque comunitario.

Siempre me ha encantado el olor del mantillo fresco y este año tendré suficiente. Estamos en medio de nuestra venta anual de mantillo en beneficio del Olde Mill Swim Club. Puede comprarnos y apoyar nuestros esfuerzos. Ofrecemos una variedad de tipos de mantillo, incluidos [tipos específicos], y los llevaremos a su entrada. Incluso si no necesitas mantillo, aún puedes apoyarnos comprando algunas bolsas y donándolas a los jardines del parque. Para los voluntarios indecisos, una vez que llega el mantillo, tenemos 60 árboles jóvenes que necesitan medio respaldo, cada uno colocado en su base. Chris Szverra lo está siguiendo. Contáctala y nosotros te atenderemos.

Me encantan las buenas noticias, las cosas divertidas pero de vez en cuando debemos ser un poco más serios. Hemos instalado varios contenedores de basura alrededor del parque para la basura normal y el uso de paseadores de perros. Esto nos cuesta dinero para bolsas y repuestos, y requiere voluntarios (gracias a Paul y Josiah) para tratar de mantenerse al día cuando es necesario vaciarlos. Hemos hablado con los jóvenes en el parque, en todas las actividades deportivas y con los que disfrutan estar allí sobre cómo poner la basura en los botes, y hemos tenido algunas buenas respuestas en el pasado. Sin embargo, algunas cosas recientes han negado mucho de eso. Principalmente cerca de la cancha de baloncesto, la basura en el suelo ha aumentado significativamente; no se mete en las latas y, de hecho, parece que alguien está tirando la basura y las botellas por encima de la valla al bosque.

Además, parece que alguien ha instalado un campamento en el bosque y la gente está pasando el rato en Old Mill Road junto a la cerca de la cancha de baloncesto; ¡Allí incluso se encontró una silla de oficina desmontada! Entonces sí, necesitamos tu ayuda. Si ves que ocurre algo de esto, tómate una foto y compártela con nosotros, pero si quieres ayudar, cuando hagas tu caminata, trae una bolsa y recoge lo que puedas, deja tu bolsa cerca de una lata o incluso en el podemos, y partiremos de ahí. Sería maravilloso si alguien caminara por los bordes de la sección boscosa y sacara los escombros que han caído allí.

## Join The Swim Club, Volunteer, or Donate! We Need You!

Did you know that we have a neighborhood Community Pool? When you become a member, there is no need to pay every time you want to swim, like at the Aquatic Center, or pay higher membership fees like the other community pools in the area.

Your membership helps us hire lifeguards for the season, improve the pool area, and host member events (some family and some adult only)!

Our newly renovated (2021) Snack Shack is very popular. During the 2020 season, we revamped the pool's top edge, including new tiles and coping stones, retrofit the pool area lights to LED, and replaced all the pumps! The addition of new shade structures in 2022.

Are you interested in joining? We accept new members all year! January through April are the primary months for renewing memberships and help us to better budget for any current or upcoming improvements.

### Become a member in 4 easy steps:

1. Purchase a Certificate of Membership
2. Pay your Annual Dues
3. Submit a family photograph electronically (email it to [omsc.membership@vomca.org](mailto:omsc.membership@vomca.org))
4. Submit Emergency Contact/Procedure Form

You can fill out the form by downloading a copy at our website: [Vomca.org](http://Vomca.org) and mailing it to OMSC 490 Chalet Drive, Millersville, MD 21108

Our Swim Season officially starts Memorial Day weekend! Meet your neighbors, sign up for the Torpedo's Swim Team, and help us continue our mission to:

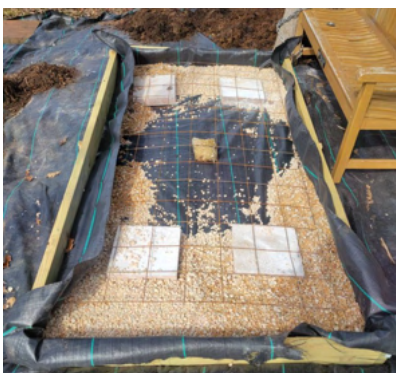

- Sponsor an enjoyable swim team that also instills a sense of accomplishment.
- Provide a facility for exercise, athletics, and socialization.
- Maintain a safe, relaxing, and pleasant environment.
- Offer our members a facility for their private parties.
- Support other community groups through appropriate access to the facility.
- Hold enjoyable special events that reinforce the feeling of belonging and build a sense of friendship and community.

To learn more and find the membership documents, head on over to our website: [vomca.org](http://vomca.org) and click on OMSC Membership.

## Become a Certified Watershed Steward

Watershed Stewards serve Anne Arundel County communities by installing landscape projects that reduce pollution and creating fun programs to inspire the next generation of environmental leaders. Collectively, these community-based actions reduce pollution at its source and improve the health of the entire Chesapeake Bay.

Every year, our Certification Course trains new Watershed Stewards.  
Sessions for the Course will run from May - September 2024.

Find a tentative course schedule and register for an information session by visiting:

**Companion Bridge** provides support to low income individuals or those who have fallen upon a recent economic hardship and cannot afford a medical crisis with their companion pets. In cases where an animal can be saved, we work directly with the veterinarian, striving to end economic euthanasia.

The **Companion Bridge** community contains on-line resources with links to board certified veterinarians, rehab specialists, vendors and educational information about keeping pets healthy.

**Companion Bridge** is a not for profit 501(c)3 that is 100% donation funded and 100% volunteer staffed.

Please help our/your community by making a tax-deductible donation to Companion Bridge. Every penny makes a difference in the life of your neighbor and their pet when they are facing a difficult time.
