VOMCA President's Letter

HAPPY HALLOWEEN, OLDE MILL! Wow, it seems like yesterday we were talking about the upcoming new year and all the activities planned for our great community. Now it's October already. School is in full swing and the Trick or Treaters will be out and about so, PLEASE REMEMBER to watch out for our children as they are out and about. Slow down and look as you drive.

There's still a lot of great events coming up in our community, so let's see what we have planned.

VOMCA/FOOM Meeting – October 4, 2023: 7 – 9 pm Hardees: Join us as we discuss the rest of this year's community events, how we can make a difference to those who live here and what is happening that will impact our community. This is your chance to have a say by voting for your VOMCA officers.

VOMCA Dues: Our dues are closed for this year as of the 30th of September. But you can lead the way by being one of the first to pay your 2024 dues. The money goes to pay the taxes on Barlowe field, which is owned by VOMCA and to put on community activities for the families in Olde Mill. We have less than 1/13th of the homes in Olde Mill contribute and yet almost everyone enjoys the field and our activities so please pay your community dues asap.

Election of Officers – October 4th: We will be holding elections for the VOMCA Officers at our October meeting. You must have your dues paid before October 1st in order to vote. Please plan on coming to this meeting so you can have a say in who leads your community.

Fall Fest 2023 – October 21st – 11 – 3: This wonderful, annual event is so much fun to start the holiday season off. We will have hay rides, a clown, face painting, a bouncy house / slide, pumpkin painting, games, prizes, raffles and a costume contest as well as some cute chickens to pet. Last year we added vendors to our festivities and this year there will be even more so come on out to take a look at the wonderful selection of items. It's not too early to think Christmas. And of course, we will be selling food and popcorn and other treats. So put us on your calendar. The event is free.

FOOM's annual Quarter Auction will be held on November 18 – 6 – 9 pm. This year's event will be at a new location, Christ Lutheran Church. But it will be the same exciting activity that's it's been and you don't want to miss it. If you've never been to a Quarter Auction you are in for a real treat.

OMSC Ledo's Fundraiser – Oct 12th all day: As most of you know the pool is in very bad financial shape. The cost of lifeguards and chemicals is going up and we have tried to balance that with our pricing but we are not bringing in enough money to cover the cost of our management company. We have several fundraisers going. There is a go fund me page set up and the flyer for that is in the newsletter is you'd like to contribute. We have a Scencey Party underway with Andrea Capps from our swim team committee. And Lisa England who is on the swim team and is a Officer in VOMCA and so many other things for this community is running a Tastefully Simple party. Ledo's is the latest fundraiser run by me. Come on out and enjoy great food and help save the OMSC. For details about any of this please feel free to call me at 443-852-2098

There are flyers and ads and photos in this issue of our Crier. I want to thank Moriah Haefner for all her hard work as our editor and as our web mistress. She is a mom and a teacher and a caregiver and she does an amazing job on this. Thank you.

That's all I have for this month. Come to our meetings. Support our efforts. Participate in our activities. That is what makes Olde Mill a great place to live, work and play.

Raising money for a new playground

To all who love our community

I would like to invite everyone out to our next FOOM event, **Community Day on 9/23 from 7am to 1pm at Barlowe Field**. It is time to put lazy days at the pool behind us and focus on our park. Those of us who love gardening will have some great opportunities that day to make a difference.

1. Clear the weeds out of the back Memorial Garden, leaving the flowers and blueberry plants (native to this area, if you would like to bring a blueberry plant or two, please do) in place.
 - a. Clear the garden and lay down weed block material.
 - b. Lay down fresh mulch.
 - c. Add some new plants, we would like to thin some of them from the Olde Mill sign garden and move here.
 - d. Remove two small dead trees in this area.
2. Mow back the areas behind the outfield fence that we recently cleared. Bring your mowers and weed trimmers. Long pants and long-sleeved shirts here please.
3. Reinstall the 2 metal benches at the basketball court.
4. Improve the drainage ditch we recreated along the basketball court one weekend when we had power equipment available, we got a lot of dirt moved but it needs a little TLC to finish it up so that the water in that area this fall will properly drain away to the parking lot keeping it from getting all muddy again.
5. For the tough among us, we would very much like to move as much of that mulch as possible to the woods edge.
6. For the not as tough among us, we would love to get the basketball court swept, or hosed down, and to kill/clean the grass growing the in the asphalt cracks so we can seal them up.
7. If you would like to have a more specific task with a potential big bang to it, go to the garden to the left of the pool gate. It is special to many of us, and we would like to capture it back. Most of this work will be clearing a 12" to 18" opening between each of the beach grass plants that are supposed to be there, pulling a bit of the lawn grass that is not supposed to be there, and protecting the flowering plants that are so beautiful at each end of the garden.
8. Of course, there is some of the typical garden maintenance needed in the raised planters all around the playground area.
9. For those of you wondering, no we are not planning on pruning all the plants down to the ground yet, that will happen in about 2 months.
10. Curb appeal, we need a little. The sidewalk and curbs along the parking lot need some attention, we want to remove the weeds growing in the curb joints, and ANYONE who has an edger, gas, plug in, or battery powered (we do not recommend the manual one your grandfather used) we need a lot of edging done along the curb and sidewalks. Hint: to remove the weeds in the curb/gutter joints, just use a flat blade shovel and slide it along the ground. It works wonders but have a trash can with you for the debris.

In the end, our park is what **we** make it, there is no one else, we have planted 60 trees, we have recreated the front Memorial Garden, we have moved tons of dirt (sorry, topsoil) and tons of mulch, we have put down more than 10 large rolls of weed block fabric, we have made the park better. With a few hours of your help, we can keep doing that. We want a little of your time, a lot of your thoughts, some encouragement and admittedly some of your dollars, to support our fundraising efforts or just make a donation. We have a new volunteer coordinator, Colleen Flack, and if you want to help but are not sure where to start, start right here, right now. Notify Colleen or I and we will coordinate with you to make it super easy. **Randal Stites at rstites@polingerco.com, Colleen Flack at cflack67@yahoo.com**

Your membership helps us hire lifeguards for the season, improve the pool area, and host member events (some family and some adult only)!

Our newly renovated (2021) Snack Shack is very popular. During the 2020 season, we revamped the pool's top edge, including new tiles and coping stones, retrofit the pool area lights to LED, and replaced all the pumps! The addition of new shade structures in 2022.

Are you interested in joining? We accept new members all year! January through April are the primary months for renewing memberships and help us to better budget for any current or upcoming improvements.

Become a member in 4 easy steps:

1. Purchase a Certificate of Membership
2. Pay your Annual Dues
3. Submit a family photograph electronically (email it to omsc.membership@vomca.org)

Companion Bridge provides support to low income individuals or those who have fallen upon a recent economic hardship and cannot afford a medical crisis with their companion pets. In cases where an animal can be saved, we work directly with the veterinarian, striving to end economic euthanasia.

The **Companion Bridge** community contains on-line resources with links to board certified veterinarians, rehab specialists, vendors and educational information about keeping pets healthy.

Companion Bridge is a not for profit 501(c)3 that is 100% donation funded and 100% volunteer staffed.

Please help our/your community by making a tax-deductible donation to Companion Bridge. Every penny makes a difference in the life of your neighbor and their pet when they are facing a difficult time.
