Olde Mill Community
Millersville, MD 21108
Attention: Ms. Sarah Hakulin

Dear Ms. Hakulin:

It has been brought to my attention that the Olde Mill Community Homeowner's Association has generously donated \$1000.00 to the Eastern District Police and Community Relations Council to purchase surveillance cameras for Eastern District. I wanted to personally thank you and the Association for this donation. It is wonderful when a community becomes involved with the Police Department to help us do our job better. Our Department strives to be a Community Policing agency and to develop partnerships with the communities to combat crime. Working with communities like Olde Mill and with the Police and Community Relations Council is a great example of these partnerships.

Thank you again! The Anne Arundel County Police Department is very appreciative of the Olde Mill Community's HOA and the PCRC for purchasing technology that will assist officers in solving difficult cases.

Sincerely,

James Teare, Sr.
